Hence no edition of Morning India would be published on March 15 and 16, 2025. The readers can access our editions from March 17, 2025. We also extend our Dol Yatra and Holi greetings to all our esteemed readers and advertisers

Editor, Morning India

Celebrations begin across country on the eve of Holi

MI News Service, New Delhi : Even as the actual festival of Holi is at least 24 hours away, people across the country have already started celebrating the joyous occasion by sprinkling colours on one another and participating in music, dance and other traditional festivities.

From temples to streets, vibrant hues and joyous gatherings mark the onset of the festival, symbolising the triumph of good over evil.

In several states, celebrations began on Thursday evening with the Holika Dahan, a ritual bonfire that symbolises the victory of devotion and righteousness.

In Mathura and Vrindavan, famous for their grand Holi celebrations, devotees began the traditional rituals, including the famous Lathmar Holi.

Cities like Varanasi, Jaipur, and Delhi witnessed enthusiastic crowds smearing each other with colors and enjoying festive treats like gujiya and thandai.

However, everywhere heavy police deployment was made to maintain peace and ensure peaceful celebrations.

In Rajasthan's Jaisalmer, holi celebrations were held at the Shri Lakshminath Ji temple on the day of Holika Dahan. Prayers were offered, bhajans were sung, and colours were smeared on each other at the temple premises.

Border Security Force (BSF) personnel posted at border outposts also celebrated Holi on Thursday with great enthusiasm. To make the experience memorable, the senior officers and jawans make special arrangements ahead of the festivities by distributing sweets.

The BSF women soldiers not only danced to the rhythm of the DJ but also enjoyed the festivities with their fellow soldiers.

"When the entire nation sleeps peacefully, we stay awake to protect the borders. Today, as the country celebrates Holi, we are here celebrating with our personnel. We are their family, their brothers, and their support system," said the BSF Ommandanat

The festival of colours was also celebrated at Shri Priyakant Ju temple, Vrindavan and at Sambhal, in Uttar Pradesh where many people hoined the celebration and sang songs. Tight security arrangements were made to ensure peace and maintenance of law and order in those areas.

In Hyderabad, the capital of Telangana, streets are filled with people and colors.

Ganesh Kumar, who came to purchase colors, said that Holi is a festival that is celebrated across the country with a lot of excitement.

Many houses are also decorated with vibrant colours and home made sweets are being prepared for their families and other relatives.

Holi celebrated at Sambhal's Kartikeya Mahadev first time in 46 years

MI News Service, Sambhal (UP): Thousands of devotees from all across the state celebrated Holi at Kartikeya Mahadev in Khaggu Sarai on Thursday for the first time in 46 years amid tight security.

The event saw enthusiastic and joyful participation from a number of social and Hindu organisations at the temple, which was reopened last December after it was shut following riots in 1978.

Additional Superintendent of Police (ASP) Shreesh Chandra said ample police forces have been deployed to ensure a smooth and peaceful celebration of Holi.

"Holi was celebrated peacefully at the Kartikeya Mahadev Temple in Khaggu Sarai. There is no need for anyone to worry. People have enjoyed the festival in a secure environment," he said adding that there was no report of any tension or any untoward incident from anywhere.

The temple is located close to Shahi Jama Masjid, a site which has been at the centre of controversy following violence on November 24, 2024, that led to the death of four people. The violence had broken out after a group of people held a protest during a court-ordered survey of the mosque. Vishwa Hindu Parishad (VHP) district President Anand

TMC's strategy meeting on 'Phantom Voters' by Abhishek, set for Mar 15

MI News Service, Kolkata: The Trinamool Congress (TMC) is set to hold a virtual mega meeting on March 15 to address concerns over 'phantom voters' in the electoral rolls. The meeting will be chaired by Abhishek Banerjee, the party's All-India General Secretary, and will be attended by core committee members, MPs, MLAs, district presidents, municipal chairpersons, and senior party leaders.

According to party sources, the meeting will include members of the state committee, municipal councillors, district council heads,

and key organizational leaders. This initiative follows Chief Minister Mamata Banerjee's strong stance on the issue, which she first raised during an assembly session before reiterating it at the TMC's mega rally at Netaji Indoor Stadium.

The issue of fraudulent voters in the electoral rolls has become a significant concern for the TMC. Mamata Banerjee has accused the BJP of attempting to manipulate voter lists to gain an advantage in the 2026 Assembly elections. She has alleged that the Election Commission, under BJP's

influence, is allowing inclusion of fake voters in the rolls to artificially boost the party's electoral prospects. To counter this, the TMC formed a high-level committee led by senior party leader and TMC President Subrata Bakshi to investigate and address the problem. Abhishek Banerjee, along with other top leaders, is also part of this committee. The first review meeting took place on March 6 at Trinamool Bhavan, where initial findings were discussed, and it was decided that a follow-up meeting would be held on March 15.

Abhishek Banerjee, who was unable to attend the March 6 meeting due to prior engagements, has taken direct charge of the voter list investigation and has called for a detailed review meeting. Initially scheduled for March 16, the meeting was later rescheduled to March 15 to ensure maximum participation from senior leaders. The upcoming meeting is expected to assess the progress of voter list verification efforts, identify irregularities, and discuss strategic measures to

HAPPY HOLI

Congress blames PM Modi for partnerships to buy Trump's goodwill.

ISRO undocks Spadex satellites, paves way for India's lunar exploration

MI News Service, New Delhi: The Indian Space Research Organisation (ISRO) has announced the successful completion of its SpaDeX mission's (space) de-docking on Thursday, marking a significant milestone in India's future in space exploration.

Congratulating ISRO for achieving this rare feat, Union Minister Jitendra Singh said the ISRO team had accomplished the unbelievable de-docking of "SPADEX satellites and the event was "heartening for every Indian!"

"This paves the way for smooth conduct of ambitious future missions including the Bharatiya Antriksha Station, Chandrayaan 4 and Gaganyaan," Singh said in a post on X.

Further he said that "PM Narendra Modi's continuous patronage keeps the spirits soaring."

The undocking process involved a precise sequence of events, culminating in the separation of the SDX-01 (Chaser) and SDX-02 (Target) satellites that was launched on December 30 in 2024, using Polar Satellite Launch Vehicle (PSLV)-C60, from the Satish Dhawan Space Centre in Sriharikota.

It included the successful extension of SDX-2, the planned

release of Capture Lever 3, and the disengagement of the Capture Lever in SDX-2. After these maneuvers, the decapture command was issued in both SDX-1 and SDX-2, leading to the successful separation of the satellites.

ISRO successfully completed docking of the two SPADEX satellites (SDX-01 and SDX-02) in the early hours of January 16 this year, making India becoming the fourth country - alongside China, Russia and the United States - in the world to have space docking technology.

According to ISRO, the groundbreaking mission aims to showcase India's technological prowess in spacecraft rendezvous, docking, and undocking -- a critical capability for future advancements such as

satellite servicing, space station operations, and interplanetary exploration.

It is a cost-effective technology demonstrator mission for the demonstration of in-space docking using two small spacecraft launched by PSLV.

This technology is essential for India's space ambitions such as putting an Indian on Moon, sample return from the Moon, the building and operation of Bharatiya Antariksh Station (BAS). In-space docking technology is essential when multiple rocket launches are required to achieve common mission objectives.

The SpaDeX spacecraft were designed and realized by the UR Rao Satellite Centre (URSC) with the support of other ISRO centers.

Rahul Gandhi slams BJP over exam paper leaks, saying future of 85 lakh students is at stake

MI News Service, New Delhi: Leader of Opposition Rahul Gandhi has emphasised that leaks of examination papers were a "systematic failure", and hoped that this "serious problem" could be eradicated if all political parties and governments set aside their differences and take a united but stern steps together.

The senior Congress chief said the future of 85 lakh children in six states is at risk as paper leak has become the most dangerous "pad-mavyuh" for our youth.

"Paper leaks put hardworking students and their families into uncertainty and stress, taking away the fruits of their hard work. It also sends the wrong message to the next generation that dishonesty can be better than hard work, which is completely unacceptable," he said in a post in

Hindi on X.

"It has not even been a year since the NEET paper leak shook the country. After our protest, the Modi government hid behind a new law and called it a solution, but so many recent leaks have proven that to be a failure as well," he said. This serious problem is a systematic failure, Gandhi asserted. It will be eradicated only when all political parties and governments forget their differences and take strict steps together, the Leader of Opposition in the Lok Sabha said. "The dignity of these exams is the right of our children and it has to be protected at all costs," Gandhi asserted. Using the 'chakravayuh' metaphor as a leitmotif, Rahul Gandhi had last year claimed that an

Putin-Trump meeting can be arranged 'quickly' after US resumes Ukraine aid

MI News Service, Moscow : A day after the US lifted its suspension of military aid and intelligence sharing for Ukraine, Russia has remarked that a phone call between President Vladimir Putin and his US counterpart Donald Trump could be arranged "very quickly" if necessary, according to the state-run TASS news agency.

The Trump administration on Tuesday resumed military aid and intelligence sharing for Ukraine, as Kyiv endorsed a US proposal for a 30-

day ceasefire in the war with Russia, pending Moscow's approval, during pivotal talks in Saudi Arabia.

Reacting to the development, the Kremlin said it does not rule out the possibility that the issue of a telephone conversation between Putin and Trump may arise following the US-Ukrainian negotiations and could be organised swiftly.

India ready to share experience of bridging gender divide with world, says Union Minister at the UN

MI News Service, New Delhi / New York : Based on the success of its useful implementation, India is ready to share with the world its whole lot of experiences of using digital public infrastructure to bridge the gender digital divide.

Such willingness of India to assist the rest of the world has been lauded by top UN leaders to help scaling digital financial inclusion.

"India is moving ahead with women-led development, building a country where women lead the way as active architects by participating from conceptual-

isation to design, implementation and monitoring the measure that shapes India's development trajectory toward a developed nation," Union Minister for Women and Child Development Annapurna Devi said.

while speaking at the UN headquarters on Wednesday. Speaking at the meeting of the world body the Union minister who has gone there to attend an event organised on the sidelines of the 69th session of the Commission on the Status of Women (CSW), further stated that "Digital and Financial Inclusion for women's empowerment"

and 'Financing for Women empowerment' were very critical for the development of core resources". Annapurna Devi also addressed the Ministerial-level roundtable organised by India's Permanent Mission to the UN on 'Digital and Financial Inclusion for women's empowerment'

Underlining the transformative power of digital public infrastructure to bridge the gender digital divide and build a resilient government system, Annapurna Devi said "India is happy to share

Congress blames PM Modi for partnerships to buy Trump's goodwill

MI News Service, New Delhi : With both Airtel and Jio announcing partnerships with Starlink, the Congress on Thursday alleged that these have been orchestrated by Prime Minister Narendra Modi "to buy goodwill" with US President Donald Trump through Starlink's owner Elon Musk.

The largest opposition party also said many questions remain unanswered and the most important one relates to the national security.

Congress General Secretary in-charge Communications Jairam Ramesh said that within literally 12 hours both Airtel and Jio have announced partnerships with Starlink, seemingly overcoming all their objections to its entry into India - which they have been voicing for quite some

time. India's largest telecoms company Reliance Jio and its rival Bharti Airtel have signed separate deals with Elon Musk's SpaceX to bring the Starlink internet service to the country.

The move has caught many analysts by surprise, as Musk has publicly clashed with both companies recently. It comes as Indian and US officials discuss a trade deal. US President Donald Trump has threatened to impose retaliatory tariffs on 2 April. The agreements, touted to expand satellite internet coverage across India, are still conditional upon SpaceX obtaining the Indian government's approval to begin operations. Starlink had 4.6 million subscribers across the world, as of

Rahmat Ali bags his tenth master's degree

MI News Service, Kolkata: On April 15, 2019, June 17, 2021 and April 6, 2023, Morning India News Service reported that Rahmat Ali, resident of Nasiruddin Road, Kolkata received his 7th, 8th and 9th master's degrees respectively, all from Indra Gandhi National Open University (IGNOU). Prior to becoming a permanent distance learner of IGNOU, he passed M.A. (French), M.A. (Sociology) and M.Com. from other Universities. After joining IGNOU, he passed, seriatim and chronologically, M.C.A., M.B.A. (Financial Management), M.A. (Economics), M.A. (English), M.A. (History), M.A. (Political Science) and now with M.A. (Arabic) in First Division with distinction, he has bagged his tenth master's degree and seventh in a row from IGNOU. On the occasion of the 38th Convocation of IGNOU at its headquarters in New Delhi and through digital mode at 36 selected Regional Centres across the country, the Convocation of Kolkata Regional Centre was held at Netaji Subhas Chandra Bose Auditorium, National Institute of Technical Teachers' Training & Research at Salt Lake. Professor Ranjan Chakrabarti, former Vice-Chancellor, Netaji Subhas Open University and Vidyasagar University and Guest of Honour at Kolkata Regional Centre Convocation, felicitated Rahmat Ali by presenting him his M.A. (Arabic)

degree in the presence of Dr. Sujata Dutta Hazarika, Senior Regional Director, Kolkata Regional Centre, IGNOU, Barrington M.A. (French) and M.Com. which he passed as an external candidate, the rest eight master's degrees were completed by him as a distance learning candidate. Besides, he passed four bachelor degrees, B.A., B.Com., B.Sc. (Physics) and B.Sc. (Mathematics), the first two as an external candidate and the last two as a distance learning candidate. He even passed Madhyamik Pariksha as an external

candidate. The only academic course that he passed as a regular candidate was Higher Secondary (Science) after a two-year study at Md. Jan Higher Secondary School, Kolkata. Apart from his academic endeavours, he also passed C.A.I.I.B. from Indian Institute of Bankers, Diploma in Business Management/Administration from Institute of Professional Managers, Jersey, Britain, Diplôme de Langue Française from Alliance Française, Paris, France, TOEFL from Princeton, New Jersey, U.S.A. and IELTS of U.K.-Aus-

tralia. He has certificates from varied institutions in German, Italian, Japanese, Korean, Persian, Portuguese, Spanish and Thai languages. Post-retirement from SBI as Manager in January 2020, where he worked for 39 years, he joined WBSEDCL as Senior Private Secretary, albeit after a gap of around two years in the Covid era, and worked there for three years until January 2, 2025. He also taught Portuguese at Ramakrishna Institute of Culture at Golpark, Kolkata from August 2023 to December 2024. He is a Counsellor in Diploma in Modern Office Practice course of IGNOU. He is also a regular reviewer of cryptic crossword puzzles in Big Dave's Crossword Blog of the United Kingdom, the world's biggest crossword blog, with 216 publications to his credit till date. He has also, so far, set eleven cryptic crosswords that have been published in the blog's 'Rookie Corner' and solved mainly by the people of the United Kingdom. 'The Week', featuring our late Prime Minister, Dr. Manmohan Singh 1932-2024 in its Special Issue of January 12, 2025, also carried an article on Rahmat Ali highlighting him as a Time Manager and a Cruciverbalist. Needless to add, it also mentioned, inter alia, the publication of five of his articles in Morning India, Kolkata.

International Women's Day was celebrated at the FCI Zonal Office (East) on 12th March 2025. The event witnessed the felicitation of Sabriti Sur, an internationally acclaimed athlete, for her valuable contributions to the world of sports. In an event centered around celebrating the myriad contributions of women toward building a strong and progressive nation, eminent dignitaries such as Flt. Lt. (Retd.) M.K. Gogoi, Executive Director (East), Vijay Parasar, Chief General Manager (East), and others stressed the need for women to continue breaking the glass ceiling. The contributions of women employees of FCI in furthering the objective of 'Food Security for All' were also lauded by the dignitaries present.

Sushmita Bhattacharya launches voter list verification campaign

MI News Service, Kolkata: The ruling Trinamool Congress has initiated a door-to-door voter list verification campaign in Ward No. 63 of the Bhawanipur Assembly Constituency, under the leadership of Ward Councillor and Borough Chairperson Sushmita Bhattacharya and Bablu Payne. This initiative, launched as per the directives of Chief Minister Mamata Banerjee, aims to ensure an accurate voter list ahead of next year's assembly elections. The campaign will continue for several days, during which officials will visit households, interact with family members, and update records. A key focus is to verify whether residents listed in the voter registry five years ago are still present at the same address or have relocated. Given that many voters change their residence over time, this process will help maintain an up-to-date electoral roll. Speaking about the initiative, Councillor and Borough Chairperson Sushmita Bhattacharya emphasized the importance of knowing the electorate. "We are familiar with most residents in our ward, but every five years, many people shift homes. It is crucial for us to keep track of our voters. Additionally, this campaign provides an opportunity to personally meet families and check on their well-being, which is something I deeply value. This verification process will continue for several more days to ensure accuracy," she stated.

Police rescue a foreign minor from brothel, 2 arrested

MI News Service, Nadia: Police rescued a foreign minor from a pross quarter in Nadia's Shantipur on Tuesday evening and arrested two miscreants, a police source said. Side by side, police have launched an investigation against concerned house owner. According to a police source, there is an old bordello at ward 13 under Shantipur Municipality. Local residents complained for a long time but the warehouse could not be lifted in any way. Locals also complained that unrest often takes place here in the said brothel and adjoining areas. However, Nadia Child Line lodged a complaint with Shantipur police on Tuesday stating that miscreants have detained a foreign minor girl in Shan-

tipur brothel. On receiving the news, the police of Shantipur police station raised the said brothel. The police finally rescued the foreign minor girl from inside a room. She was subsequently sent to Krishnanagar Home. Side by side, Police have arrested the homeowner and another one from the scene. The duo arrested were produced in the Ranaghat sub-division court on Thursday. The police suspect that the rescued minor was a resident of Nepal. Investigators are trying to get his right age and identity. Ranaghat sub-divisional police officer Shailaza Das said, "A foreign female has been rescued. He is probably a minor. An attempt is underway to search for the right age."

Soma Mukherjee Honored for Her Outstanding Contributions to Social Welfare and Healthcare at 7th World Meet in Thailand

MI News Service, Kolkata: Renowned social worker Soma Mukherjee has been recognized for her exceptional contributions to healthcare and social welfare. She runs nine PPP model hospitals in collaboration with the government, ensuring quality medical care for underprivileged communities. Her efforts in organizing free medical camps have significantly impacted countless lives, making her a beacon of hope for those in need.

In addition to her contributions to the healthcare sector, Soma Mukherjee is also actively involved in cultural initiatives that promote and preserve India's rich heritage. Her dedication has earned her the prestigious Bharat Bhushan Puraskar from the Delhi Government, along with the title of Brand Ambassador of Social Workers of India. She also serves as the National Vice President of the World Human Rights Protection Com-

mission and has been honored with the Star Super Power Women Award. Her tireless commitment to social welfare has gained national and international recognition. Recently, she was awarded the Veer Naari Samman 2025 and International Awards at 6th World Meet in Indonesia for her re-

markable efforts. She is also set to receive an International Award at the 7th World Meet in Bangkok in recognition of her continuous service to society. Soma Mukherjee's achievements serve as an inspiration to many, proving that dedicated social work and humanitarian efforts can truly make a difference in the world.

Firecrackers were being manufactured without a license, police recovered 550 kg of firecrackers during search

MI News Service, Hooghly: On Jamrat, at around 1 pm, Hooghly Rural District Police, after receiving information from special sources about illegal manufacture and storage of firecrackers, conducted a search operation in two houses on the ground floor of Mirza Nagar Sahab Hat Talla under Dhaniakhali Po-

lice Station. Led by Dy. SP (D&T) Hooghly Rural District Police, CI, Dhaniakhali Circle along with a police team of Dhaniakhali Police Station. During the search operation, a total of 550 kg of illegally stored firecrackers and firecracker making equipment were seized. Two people have also been arrested. They will be produced before the Chinsora court tomorrow and further action will be taken as per the law. At the same time, the process of finding the source of betting will also continue. Those involved in this illegal activity will be found and brought to justice.

At the conclusion of West Bengal Legislative Assembly session on Thursday, the Assembly staff celebrated the festive spirit of Holi by offering Abir (colored powder) in the Speaker's chamber as a mark of respect. Present on the occasion were Speaker Biman Banerjee, Minister Chandrima Bhattacharya, Partha Bhowmick, MP Food Minister Ritin Biswas, Sports and Power Minister Aroop Biswas, along with other esteemed dignitaries.

Go for veg diet during 'Dol Purnima': Nabadwip Municipality

MI News Service, Nadia: The Trinamool Congress-led Nabadwip municipality has urged residents to adopt a vegetarian diet during the Dol Purnima festival, which coincides with Holi, to prevent the "gory scene of bloodshed in public" caused by open slaughter and the sale of meat and fish.

The civic body has appealed to the people not to buy and eat fish or meat during the festival so that public slaughter does not create discomfort for devotees.

The municipality or-

ganised a civic convention attended by heads of Vaishnavite mutts, traders, transporters, and residents. A resolution was adopted, emphasising that visuals of slaughter could be unsettling for thousands of Vaishnavite devotees, who follow a strict vegetarian diet, visiting the town for Dol Yatra to mark the birth anniversary of Lord Chaitanya.

The town of Nabadwip, known as Lord Chaitanya's birthplace, has around 200 Vaishnav temples and mutts.

Socio Fare Awards '25 in Kolkata

MI News Service, Kolkata: The SocioFare Awards 2025 unfolded as an evening of inspiration, celebration and entertainment at the Indian Council for Cultural Relations (ICCR), Kolkata. The prestigious event honoured individuals and organisations who have made significant contributions to community development and sustainability across the country.

The awards recognised change makers from diverse regions including Delhi, Mumbai, Jharkhand, Nagpur, Bihar and various districts of West Bengal, acknowledging their tireless efforts in driving positive social impact. It was hosted by Sabri Helpage. Renowned Indian academic, lin-

guist, and literary critic Professor (Dr.) Pabitra Sarkar shared his insightful thoughts, while Professor (Dr.) Ananya Baruya, Dean of the Faculty Council of Arts at Jadavpur University, addressed the audience with inspiring words on education and social development.

The celebrated filmmaker Baudhayan Mukherji, known for his Cannes Lion and National Award-winning works, shared his perspectives on storytelling as a tool for social change. Adding to the evening's charm, Chandan Sen, a distinguished Bengali actor, playwright, and director, spoke about the role of art and culture in uplifting communities.

MI News Service, Kolkata: The Bureau of Indian Standards (BIS), Kolkata Branch Office recently organized a sensitization program, Quality Quest Carnival, on the occasion of World Consumer Rights Day 2025. The event was held with the aim of raising awareness among residents about the

importance of quality and safety in everyday life.

The program witnessed the active participation of 150 representatives from various Resident Welfare Associations (RWAs) and housing societies. The inauguration was done by prominent speakers, including Sabyasachi Dhar,

Director & Head Kolkata Branch Office-1, BIS and S. Raha, President of the ACAD Block Resident Welfare Association.

The event included a Quiz Contest focusing on the Bureau of Indian Standards (BIS), followed by a cultural performance, which added a vibrant element to the

proceedings. It may be worth mentioning that BIS also took this opportunity to reach out to government officials at the district and state headquarters. The objective was to highlight the significance of procuring BIS-certified products in government procurement procedures. The Manak

Mitra campaign, spearheaded by more than 75 BIS representatives, is working diligently in districts and state headquarters to make officials aware of the need to incorporate BIS-certified products and to support standardization and conformity assessment activities.

Bigyan Mancha organizes 'herbal abeer' workshop

MI News Service, Kolkata: The Paschim Banga Bigyan Mancha recently organized a workshop about how to manufacture 'herbal abeer'. The workshop was organized at Dhakuria in association with Madam Curie

Bigyan Sabha (MCBS). Anamika Roy and Keya Roy Chowdhury participated in the workshop on behalf of MCBS. Students Koel Pramanik and Sangeeta Debnath took active role in this session of workshop.

According to Anirban Banerjee of Paschim Banga Bigyan Mancha, "Around 50 students took part in this workshop which gave a prudent message of environment consciousness through scientific mind."

its experience with the world" and highlighted the critical need for resources to realise the vision of women-led development. The Ministerial roundtable provided a platform to share experiences of Member States, especially from the Global South and hear their views on how women of UN member states can better leverage its mandate to provide effective and strategic support to their womenfolk in delivering on their commitments on gender equality and women's rights and empowerment. The Union minister is leading India's delegation at CSW, the world's largest annual conference focused on women's issues currently underway at the UN Headquarters. The 69th session of the UN Commission on the Status of Women kicked off on March 10 and will run through March 21. Annapurna Devi highlighted that the Unified

Payment Interface (UPI) developed in India has transformed the system of routine transactions, completely digitalised the field of full data protection, with 87.35 million transactions growing 147 per cent in terms of volume. "This has transcended barriers of gender, urban, rural, rich and poor and women are increasingly taking ownership of digital payment interface," she said. Devi also stressed that nations have to be mindful of the fact that while promotion of digital inclusion of women is of paramount importance, at the same time, protection of security and privacy of data must be ensured. "Hence, in today's technologically advanced world, there is a need for balancing regulation for the safe and responsible use of technology, especially in leveraging e-governance for social protection system.

prevent electoral fraud. The TMC leadership has emphasized the importance of mobilizing grassroots workers to detect fake voters and ensure that the electoral process remains transparent and fair. The 'phantom voter' controversy has become a major political flashpoint between the TMC and the BJP. Mamata Banerjee has

openly accused the BJP of engineering electoral fraud and has vowed to take the fight to the Election Commission. The outcome of the March 15 virtual meeting will be crucial in determining the TMC's next course of action. With the 2026 Assembly elections drawing closer, this issue is expected to remain a central point of political contention in West Bengal.

atmosphere of fear prevails all around with a group of six trapping the entire country in a 'chakravayuh' he promised would be broken by the INDIA bloc. Chakravayuh refers to a multi-layered military formation aimed at trapping a warrior by opponents placed strategically in an alignment resembling a lotus-shaped labyrinth. Gandhi had said the 'chakravayuh' is also called a 'padmavyuh' for its resemblance to a lotus (BJP's election symbol) formation. He also charged the BJP with destroying the future of youths through alleged irregularities in the examination system, but the Congress is committed to fighting for the rights of students. Rahul Gandhi's remarks on Friday came after two students protesting against alleged irregularities in the Madhya Pradesh Public Commission (MPPSC) exams were put in jail. "The BJP is cutting the thumb of the youth of India just like Ekalavya's, and destroying their future," Gandhi said in another post

in Hindi on X. "Failure in executing government recruitments is a big injustice. First, recruitment is not announced. And then even if it is announced, exams are not held in time. If exams are held, the question papers are leaked. And when the youths demand justice, their voice is ruthlessly crushed," he alleged. There were students' protest in Bihar and Uttar Pradesh as well over alleged irregularities in recruitment exams. And, now two students protesting against the irregularities in MPPSC in Madhya Pradesh have been put in jail, and that after the Chief minister himself met the students and assured them their demands would be considered, the Opposition Leader in the Lok Sabha noted. "The BJP government has broken the trust of the students and strangled the democratic system. We are with the students in their fight for their rights. We will not let the BJP suppress the voice of the rights of the youth of the country at any cost," the former Congress president said.

Holi celebrated at Sambhal's..

Agrawal expressed his joy over the occasion. "After 46 years, we have had the fortune of playing Holi at the Kartikeya Mahadev Temple. People from various social organisations and all walks of life have gathered here, celebrating (Holi) with flowers and colours," he said. Participants also shared their excitement and thanked the police for the security arrangements and overall peaceful atmosphere.

The temple, also known as Bhasma Shankar temple, was reopened on December 13 last year after the authorities said they stumbled upon the covered structure during an anti-encroachment drive. The temple housed an idol of Lord Hanuman and a Shivaling.

Putin-Trump meeting....

►► **From PG 1**
"We also do not rule out that the topic of a call at the highest level may arise. If such a need emerges, it will be organised very quickly. The existing channels of dialogue with the Americans make it possible to do this in a relatively short time," Russian Presidential Spokesman Dmitry Peskov was quoted as saying by TASS. Peskov earlier said that Trump and Putin had only one telephone conversation on February 12 since the inaugu-

ration of the American leader on January 20. During that call, they discussed stopping the war in Ukraine, bilateral relations, some other topics, and also agreed to continue contacts and organise an in-person meeting. The Kremlin said on Wednesday that it needed to be briefed by the United States on the outcome of U.S.-Ukrainian talks in Saudi Arabia before commenting on whether a proposed ceasefire in Ukraine was acceptable to Russia.

Bengal's 'Swasthya Sathi' Scheme gains global recognition for cancer treatment success

MI News Service, Kolkata: After the international recognition of Bengal's 'Kanyashree' scheme, Chief Minister Mamata Banerjee's ambitious 'SwasthyaSathi' health initiative has now received global acclaim. While critics have often questioned the project, its success in providing medical assistance to people across all sections of society is now evident. The scheme allows beneficiaries to avail of free treatment at private nursing homes, with the health card issued in the name of the female head of the family. However, it is not just for this reason that 'SwasthyaSathi' has gained international attention. The scheme's pivotal role in supporting breast cancer patients by covering

chemotherapy costs has earned it a place in the prestigious international medical journal The Breast. This recognition has sparked widespread discussions, underscoring Bengal's progress in healthcare. Meanwhile, Chief Minister Mamata Banerjee is set to visit London soon. Following approval from the Ministry of External Affairs, she is scheduled to deliver a speech at Oxford University. As she prepares for this visit, the international acknowledgment of 'SwasthyaSathi' has further bolstered the state's achievements. According to sources, Mamata Banerjee may highlight the success of the scheme on foreign soil. Cancer treatment is notoriously expensive, often pushing pa-

tients into financial ruin. Recognizing this challenge, the St. Gallen Breast Cancer Conference 2025, one of the world's most esteemed medical summits, has acknowledged 'SwasthyaSathi' for significantly reducing cancer treatment costs. This is a moment of pride for Bengal, as the scheme's impact is now recognized beyond India. Owing to the remarkable success of the initiative, a team of Bengali oncologists has been invited to present their research at the prestigious conference in Austria. Led by renowned onco-surgeon Dr. Soumen Das and five other medical professionals, the study reveals that 'SwasthyaSathi' has slashed the cost of breast cancer treatment by

nearly 70%. Moreover, Bengal now boasts the highest 'treatment completion rate' for chemotherapy in India under this scheme. The study, conducted at private hospitals in Nayabad and Sinthi, analyzed Stage 1-3 breast cancer patients and confirmed the scheme's effectiveness. Dr. Das, the lead researcher, stated, "Mortality rates among two groups of patients were studied. While the project has certain limitations, its overall impact in reducing cancer-related expenses is undeniable." As the findings gain international traction, 'SwasthyaSathi' is poised to be a model for affordable healthcare, bringing further global recognition to Bengal's healthcare policies.

Congress blames PM Modi for...

2024. SpaceX has been aiming to launch services in India since 2021, but regulatory hurdles have delayed its arrival. Both Jio and Airtel say they will leverage their mobile network along with Starlink to deliver broadband services to communities and businesses across the country, including in rural and remote regions. Jio will offer Starlink equipment in its retail outlets and online stores along with providing installation support for the devices, while Airtel says it is exploring the same. Airtel also says the tie-up, along with an existing deal with Starlink rival Eutelsat OneWeb, would help to expand its connectivity. Many had not anticipated Starlink's simultaneous deals with Jio Platforms and Airtel. Up until the announcement, Jio was seen as Starlink's biggest competitor in India's satellite broadband market.

Kolkata Police enforces strict measures to prevent water body during holi

MI News Service, Kolkata: In a stringent pre-festival directive, Kolkata Police has warned revelers against entering water bodies for a bath after consuming alcohol during Dol and Holi. To enforce this, law enforcement agencies will closely monitor at least 66 Ghats across the city on Friday and Saturday. Additionally, local clubs have been cautioned to prevent individuals from entering ponds or lakes in an intoxicated state. Sources indicate that police stations have already begun public announcements via loudspeakers to spread awareness about safety regulations. On the festival days, officers have been instructed to swiftly respond to even minor disturbances. To ensure order in narrow lanes and by-lanes, dedicated bike patrol units will also be deployed. A key focus remains on maintaining communal harmony during the celebrations. Over the past two years, three people have drowned in Kolkata's rivers and lakes during Dol festivities, prompting authorities to take preemptive measures this year. Special security arrangements will be in place across 66 Ghats, covering both the Hooghly River and various ponds and lakes. Notably, Kolkata

Police's Disaster Management Group will be stationed at 44 ghats to prevent mishaps. These teams will not only be responsible for safety but also for ensuring that no intoxicated individuals enter the water. In a citywide operation, approximately 21,000 police personnel will be deployed to prevent law-and-order disruptions. Senior officers, including Joint Police Commissioners and Deputy Commissioners, will personally oversee security arrangements. More than 100 key locations across Kolkata will have police pickets. Furthermore, 58 PPR (Police Patrol Response) vans will conduct regular surveillance across the city, and bike patrol units will navigate congested areas to prevent any untoward incidents. Strict measures have also been implemented to curb nuisance activities such as throwing water balloons or colours from high-rise balconies onto pedestrians. Additionally, police teams will ensure that stray dogs and other animals are not subjected to colour smearing. Police have assured the public that in the event of any disturbance, enforcement teams will reach the scene promptly to restore order.

State Transport Dept implements reforms to ease traffic congestion

MI News Service, Kolkata: Chief Minister Mamata Banerjee has voiced concerns over insufficient public transportation, particularly on key routes such as the airport and Nabanna, after witnessing passengers struggling to find buses. This prompted the Transport Department to take immediate steps to increase bus frequency and trips across several routes. However, Transport Minister Snehasis Chakraborty, on Thursday, clarified that deploying government buses on all routes is not feasible, especially where private bus services are already operating efficiently. The unregulated presence of e-rickshaws (Totos) in urban areas has long been blamed for traffic congestion, particularly in Howrah, Barasat, Chinsurah, Burdwan, Siliguri, and Asansol. The government has now decided to introduce a QR code regis-

tration system for Totos to curb unauthorized operations and manage their movement in crowded areas. The new QR code registration system aims to ensure that only authorized vehicles are permitted to ply on designated routes. Local police, municipal authorities, and Toto unions will work together to implement this system effectively. On Thursday, Transport Minister Snehasis Chakraborty acknowledged the issue, he stated that the government aims to control their movement by introducing registration measures and issuing official stickers for easy identification. Additionally, specific guidelines will be introduced to ensure smoother traffic management. A special committee will be formed to frame these guidelines, comprising representatives from municipal bodies, traffic authorities, nodal agencies, and Toto unions.

TMC welcomes Tapasi Mandal with key leadership role

MI News Service, Kolkata: Haldia's former BJP MLA Tapasi Mandal, who recently joined the Trinamool Congress (TMC), has been swiftly rewarded with a significant position. She has been appointed as the Chairperson of the Women's Development Board under the Department of Women, Child De-

velopment, and Social Welfare in West Bengal. The board also comprises six IAS and WBCS officers. Tapasi Mandal's transition to TMC has not only altered the political dynamics in Haldia but also sparked fresh confrontations with Leader of the Opposition, Suwendu Adhikari.

Humayun Kabir showcaused over controversial remarks

MI News Service, Kolkata: In a fresh controversy, Trinamool Congress (TMC) MLA Humayun Kabir has been issued a showcause notice by the party's disciplinary committee following his remarks against Leader of the Opposition, Suwendu Adhikari. The decision came after a high-level discussion in the West Bengal Assembly on Thursday, with Chief Minister Mamata Banerjee instructing strict action. Kabir has been given 24 hours to respond. Additionally, Minister Siddiquil Chowdhury has been advised to refrain from making any statements on the matter.

The controversy erupted after Suwendu Adhikari made a remark that triggered strong reactions from Kabir. Speaking outside the Assembly on Thursday, Kabir questioned why the administration had not taken suo-motu action against Adhikari for his comments. He accused the police of inaction and criticized the authorities for allowing communal tensions to escalate.

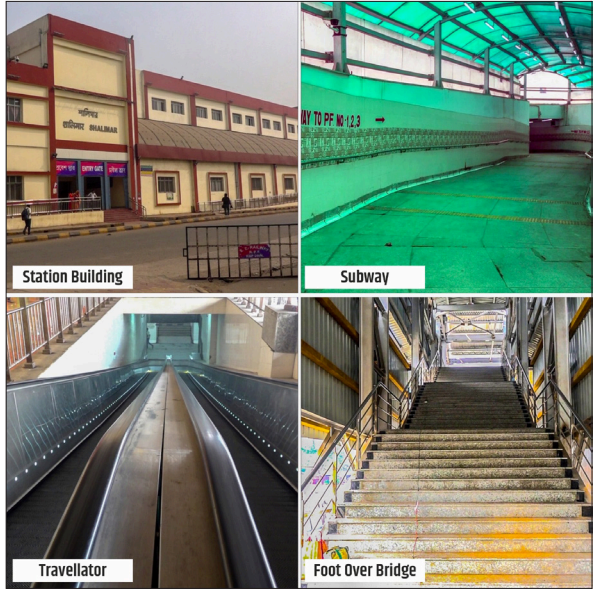

"If Suwendu Adhikari continues his attacks on an entire community and does not retract his statement, send him to Murshidabad. Let us know in advance when he is coming, and I will ensure he is surrounded. He must withdraw his words, or he will see what happens in Murshidabad," Kabir warned.

Kabir also asserted that his community's honor came before his political allegiance. "My community comes first, not my party. If you attack my people, do you think I will remain silent? I will not spare Suwendu unless he withdraws his remarks," he declared.

Investigation progresses in businessman's murder case

MI News Service, Kolkata: The investigation into the app cab murder case involving the recovery of a businessman's body inside a trolley bag has advanced significantly. Detectives from Gholia Police Station have contacted the family of the deceased, Bhagarama Singh, in Rajasthan. Reports indicate that his relatives will soon travel to Kolkata. On Wednesday midnight, the arrested suspects, Krish and Karan, were taken to the crime scene for a reconstruction of events. Investigators made them reenact the crime inside the house where the murder allegedly took place. During interrogation, the suspects revealed that they had been working with Bhagarama Singh for over five months. However, the businessman reportedly failed to repay a substantial sum despite multiple reminders. The tension escalated over the past week, culminating in the murder. Krish confessed to slitting Bhagarama's throat, but investigators suspect Karan was also actively involved in the killing. Forensic experts will visit the crime scene, and authorities plan to reconstruct the entire sequence of events, including how the suspects transported the body from Mukhtaram Babu Street to Gholia. The crime unraveled when the two accused hired a cab from Nagerbazar and asked the driver to stop at a secluded location along Kalyani Expressway.

Redevelopment of Shalimar railway station of South Eastern Railway

MI News Service, Kolkata: Shalimar Railway Station is one of the major Railway Terminal of South Eastern Railway. It is an important hub for long-distance trains, particularly those connecting Kolkata to various parts of India. Shalimar Station was initially developed as a goods terminal before and later being upgraded to a passenger station. It was introduced as an alternative to Howrah Junction to decongest train traffic. Over time, it has gained importance, especially for South Eastern Railway bound trains. It helps in reducing the extra rush at Howrah Junction, one of the busiest Railway stations in Eastern India. Shalimar Station primarily serves Express and superfast trains operated by the South Eastern Railway. These trains provide crucial connectivity between Kolkata and cities like Mumbai, Chennai, Hyderabad, Vi-

sakhapatnam, Udaipur, Puri and Bhubaneswar. With the expansion of South Eastern Railway services, Shalimar is emerging as a key passenger terminal. Presently South Eastern Railway is working on improving infrastructure at Shalimar to facilitate more passengers and trains.

A number of Mail/Express trains are originating from/terminating at Shalimar and therefore it has become essential to redevelop the station and yard of Shalimar. This station plays a pivotal role in passenger transport under the SER jurisdiction. The Re-development of Shalimar Railway Station was planned with construction of New Station building, development of circulating area, construction of new Island platforms, Foot Over Bridges, Lifts, Escalators, Ramps, Travellators and other developmental works etc. At present, construction

of New Station Building (Structural part), construction of one 12 metre wide Foot Over Bridge connecting Platform 1 to 2 & 3 and other second 12 metre wide Foot Over Bridge connecting Platform No. 2 & 3 to 4 & 5. 4 Nos. of Pit Lines & 6 Nos. of Stabling lines, Refurbishing of New Platform No-1, construction of Concrete Road at station area, Construction of Car Parking area on Ganga end, Subways/underpasses UP-4 towards Jetty, 3 nos. of 2 lakh gallon capacity overhead Tank and other infrastructural works have been completed.

Five Nos. of lifts at the station building, four Nos. of Escalators connecting to Foot Over Bridges from Platform No. 1 to Platform No 2/3, Four Nos. of Travellators connecting to underpass from Platform No 1 to Platform No 2/3, four Nos. of Escalators connecting Platforms and subway-3 have been commissioned.

The remaining development works at Shalimar Station will be completed in a phased manner, ensuring minimal disruption to railway operations while enhancing the overall passenger experience. The remaining projects include:

- Construction/Extension of Platform Shelter over Platform No. 2/3
- construction of New Island Platform No. 4/5 with two nos. Subway Dispersals on Platform 4/5
- Construction of Road Over Bridge of span 64.09 metres
- Ramps and one Limited Height Subway
- Installation of CCTV Public Address system etc.

From Bandel: 37741
From Katwa: 37742
It may be mentioned that, Block will be commence after passing of 13033 UP & 37743 UP will be the first train after cancellation of Block.

Holi & Ramzaan coincide: Biman Basu gives a clarion call for communal harmony

MI News Service, Kolkata: The Left Front Chairman and veteran CPIM leader Biman Basu raises his voice for a peaceful participation of religious festivities sans animosity. According to Basu, "With Dol Yatra/Holi and Ramzaan coinciding, we on behalf of CPIM and Left Front appeals to all section of people not to fall into the trap laid by communal forces. Both BJP and TMC are playing communal cards on competitive spirit. Do not let them score." "We also do criticize anti minority approach of BJP governments at different states regarding Holi and Ramzaan." He added.

Man arrested for attempting to create multiple passports

MI News Service, Kolkata: In a shocking revelation of document forgery, a resident of Baguiati, Kolkata, has been arrested for attempting to obtain multiple passports using the same Aadhaar number. The accused, identified as Tridip Mondal, was apprehended at Sealdah Station on Thursday. According to police sources, Tridip Mondal, a resident of Jyanga in Baguiati, was actively involved in forging documents to create fake passports. Investigators allege that he not only tried to acquire multiple passports under different names using his own Aadhaar number but also assisted others in obtaining fraudulent travel documents. This arrest follows an earlier crackdown in January by the Chandannagar Commissionerate, which led to the arrest of three individuals linked to a fake passport racket. Tridip was reportedly working as an agent for this network. Following interrogations of the previously arrested individuals, the police traced Tridip's involvement, ultimately leading to his arrest by the Bhadreswar Police at Sealdah Station. The state-wide crackdown on fake passports is intensifying. Kolkata Police has already arrested several key operatives of the racket, and their interrogations are shedding light on the masterminds behind the operation. Investigators suspect that this forgery network has played a significant role in facilitating illegal immigration, particularly aiding Bangladeshi nationals in entering India.

Eastern Railway strives to ensure timely train operations : Urges not to pull alarm chain unless extremely necessary

MI News Service, Kolkata: Eastern Railway is putting forth diligent efforts to ensure the timely running of trains despite facing numerous challenges, including the disturbances caused by Alarm Chain Pulling (ACP) and road traffic congestion at Level Crossing Gates. These disturbances, often the result of irresponsible behaviour by passengers and road users, have been major contributors to delays in train services.

To combat one of the key issues affecting punctuality, Eastern Railway is making significant strides toward substituting Level Crossing Gates with Limited Height Subways (LHS), a solution that will alleviate traffic congestion caused by road and rail traffic detentions at level crossings. This initiative is part of a broader plan to modernize railway infrastructure and improve the overall efficiency of train operations.

However, Alarm Chain Pulling (ACP) remains a significant challenge. ACP is a mechanism designed to allow passengers to alert train drivers or application of brake in the event of an emergency, aiming halting of movement. Unfortunately, the misuse of this facility by passengers, without valid reasons, leads to unnecessary stoppages, causing delays not only to the affected train but also to others running on the same route. On March 11, 2025, two trains, the 12323 Howrah-Bardhaman Express and 13416 Patna-Malda Town Express, lost their punctuality due to ACP incidents within Eastern Railway jurisdiction. Additionally, as of 16:00 hours on March 13, 2025, the 12502 Agartala-Kolkata Garib Rath Express has also been delayed due to ACP. Similar detention of long-distance trains originating from Eastern Railway has also been observed due to ACP enroute in other zones.

Eastern Railway urges passengers to use the Alarm Chain responsibly, emphasizing that misuse not only disrupts individual train schedules but also causes a cascading effect on other trains, severely impacting punctuality and operational efficiency. Passengers' cooperation in this matter is crucial to minimize delays and ensure smooth, timely train services. It is mention-worthy that, Eastern Railway is closely monitoring commuter-sensitive trains, especially those serving daily passengers or high-speed services. As a result of collective efforts of various departments, 200 commuter-sensitive trains scheduled on March 12, 2025, recorded an impressive 90% punctuality rate. Eastern Railway remains committed to improving the efficiency and reliability of its services and continues to work towards reducing delays and enhancing passenger experiences. The railway urges all passengers to be responsible in their behaviour, ensuring that the railway network functions smoothly for everyone.

Special services on Friday for Dolyatra in blue line from 14:30 hrs, in green line-1 and green line-2 from 15:00 hrs

MI News Service, Kolkata: Metro will operate 60 services (30 UP + 30 DN) instead of 262 services on Dolyatra i.e. 14.03.2025 (Friday) in Blue Line. Tangra horror: Family suicide pact turns into triple murder

MI News Service, Kolkata: In a chilling incident that has left Kolkata in shock, three members of the Dey family from Tangra were brutally murdered, revealing a harrowing tale of desperation and premeditated actions. The victims included two women—Rumi Dey and Sudeshna Dey—and a 14-year-old girl, Priyambada Dey. The primary accused, Prasun Dey, has confessed to the murders, shedding light on the sequence of events leading up to the tragic outcome.

According to Prasun's confession, on the night of February 17, 2025, the family consumed payesh (a traditional Bengali rice pudding) laced with crushed sleeping pills and blood pressure medications, intending to commit collective suicide due to insurmountable debts. However, the attempt failed as they all woke up the following morning. Realizing the failure of their initial plan, Prasun and his wife, Rumi, decided to take more drastic measures. They agreed that ending the lives of their children first would prevent them from suffering alone if the parents died and the children survived. Prasun and Rumi entered their daughter Priyambada's room, where Prasun suffocated her with a pillow while Rumi held her legs. Overcome with grief, Rumi cried, prompting Prasun to first cut her wrist and then slit her throat. He then informed his sister-in-law, Sudeshna, who requested the same fate, and he killed her similarly. Prasun next targeted his nephews, Pratyay, but the boy resisted

and pleaded for his life. Pratyay was then taken to the third floor by his father, Pranoy. After the murders, Prasun changed clothes, and he, along with Pranoy and Pratyay, attempted suicide by consuming sleeping pills, which failed. They later tried to crash their car into a metro pillar but survived due to the vehicle's safety features. Additionally, the discovery of medical insurance documents in the house has led investigators to question the authenticity of the suicide narrative, as such documents would be unnecessary if the entire family intended to die. Prasun Dey has been arrested and is currently in police custody. The investigation is ongoing as authorities seek to uncover the full extent of the circumstances leading to this tragic event.

Kolkata Police seeks to establish outpost at JU

MI News Service, Kolkata: Kolkata Police has formally proposed setting up an outpost inside Jadavpur University, aiming to enhance surveillance on the campus. A letter has been sent from Lalbazar, the city police headquarters, to the university authorities regarding the matter. Sources indicate that police have requested a total of 4,000 square feet of space within the campus, with 2,000 square feet allocated for the outpost and the remaining 2,000 square feet designated for a police barrack. However, concerns have emerged within the university administration regarding space constraints. Reports suggest that Jadavpur

University is already struggling with a lack of space for new classrooms, raising questions about whether it can accommodate the police's request. The issue is expected to be discussed in an upcoming Executive Council meeting. Meanwhile, a section of Jadavpur University students, particularly those affiliated with the Students' Federation of India (SFI), finds itself in legal discomfort following recent court proceedings. The Kolkata High Court has ruled that students must cooperate with the ongoing police investigation and provide access to mobile phones if required for investigative purposes. Justice Tirthankar Ghosh, presiding

over the case, has directed the state government to submit an affidavit on the matter. The next hearing is scheduled for April. The court refrained from interfering with the police investigation, stating that if any accused students, including FIR-named Udipan Kundu, wish to challenge the demand for their mobile data, they may appear before a magistrate. Observing the case, Justice Ghosh remarked, "How can the court issue an order preventing the police from obtaining a mobile device as part of an ongoing investigation?" The ruling indicates that while students have legal avenues to contest data access, the police will retain investigative authority.

Medical dept of Eastern Railway organises awareness programme on adolescent substance abuse & childhood obesity

MI News Service, Kolkata: The Medical Department of Eastern Railway, in association with the West Bengal Academy of Paediatrics, organised an awareness programme on Adolescent Substance Abuse & Childhood Obesity at various key stations and railway hospitals across the Eastern Railway jurisdiction today.

As part of the awareness drive, two informative movies produced by the Indian Academy of Paediatrics were displayed on the giant screen at Sealdah station to spread awareness about substance abuse and childhood obesity. These movies were also shown at the B R Singh Hospital OPD complex, Howrah Railway Station, Asansol Railway Station, Orthopaedic Hospital Howrah, Asansol Railway Hospital, and Railway Hospital, Andal. At Sealdah station premises, the programme was conducted in the presence of Dr. Atanu Bhadra, Hony Treasurer, Dr. Kalpana Mandal, CMS/Sealdah, Dr. Mihir Sarkar, CPIM and Left Front appeals to all section of people not to fall into the trap laid by communal forces. Both BJP and TMC are playing communal cards on competitive spirit. Do not let them score." "We also do criticize anti minority approach of BJP governments at different states regarding Holi and Ramzaan." He added.

Renowned doctors, including Dr. Agnimita Giri, Dr. Mihir Sarkar, Dr. Chaitali Patra, and Dr. Sayantan Saha, spoke extensively about substance abuse, its warning signs, prevention, treatment, and the vital role of parents in combating these issues. They also delivered an engaging talk on childhood obesity, its harmful effects, lifestyle modifications, and management techniques. Dr. Atanu Bhadra actively interacted with the audience, including railway commuters and the general public, addressing their queries and concerns. Dr. Kalpana Mandal, CMS/Sealdah, played a key role in organising this initiative in collaboration with the Indian Academy of Paediatrics. The programme commenced with an introductory address by Dr. Mandira Banerjee, AGMS/Health & Family Welfare/Sealdah, who highlighted the critical importance of addressing adolescent substance abuse and the growing concern of

childhood obesity. Abuse among adolescents. As part of this health promotion campaign, two short films produced by the Indian Academy of Paediatrics were showcased today on the giant screen at Howrah station premises. These films effectively highlighted the dangers and long-term consequences of childhood obesity and substance abuse, with the goal of educating and empowering the public, particularly parents and young individuals. Simultaneously, at Andal Railway Hospital, Dr. Tanmay Biswas, DMO/Paediatrics, along with MS/IC/Andal, conducted an awareness programme on adolescent substance abuse and childhood obesity for railway beneficiaries at the OPD complex. The programme witnessed enthusiastic participation from various departments, including the Health & Family Welfare Department, Sealdah Division, B R Singh Hospital, the Indian Academy of Paediatrics, the general public, railway commuters, and railway beneficiaries.

Fire breaks out in abandoned house near Jatin Das Park

MI News Service, Kolkata: Kolkata witnessed yet another fire incident on Thursday morning when a blaze engulfed an abandoned house near Jatin Das Park. Several rooms were completely gutted in the fire, causing panic in the area. Firefighters rushed to the spot with two engines and successfully brought the situation under control. According to fire department sources, at approximately 6:30 AM, local residents noticed flames rising from the abandoned house near Hazra. Promptly, they alerted the fire brigade, which dispatched

two engines to the location. Firefighters worked swiftly to douse the flames, but by the time they arrived, thick black smoke had already engulfed the surrounding area. The intense fire rapidly consumed a significant portion of the structure, reducing multiple rooms to ashes. After nearly 30 to 40 minutes of relentless firefighting efforts, the blaze was finally brought under control. Fortunately, no casualties or injuries were reported in the incident. However, the cause of the fire remains unclear, raising suspicions about how the flames originated in a vacant property. A senior fire department official stated, "We received information about the fire at around 6:30 AM. Two fire engines were immediately dispatched to the site. Our team worked efficiently, and the fire has been completely extinguished. Thankfully, there are no reports of injuries. We are currently investigating the cause of the fire."

Authorities are now probing whether the property was being used illegally and, if so, by whom. Further investigations are underway to determine the exact circumstances that led to the fire.

Eastern Railway gears up to ensure smooth travel experience during Holi festival

MI News Service, Kolkata: Holi and Dol Yatra, the vibrant festivals of colours, are best celebrated with family and friends. During this festive period, people travel extensively to reunite with their loved ones or visit popular holiday destinations. As Holi falls on a weekend this year, the demand for train travel has surged to unprecedented levels. Understanding the heightened demand, Eastern Railway has made special arrangements to ensure passengers can celebrate the festival without disruption. In addition to its regular services, Eastern Railway is operating Holi Special Trains to various popular destinations to accommodate the increased passenger traffic. Travelers who could not secure confirmed tickets on regular trains can avail themselves of these special services for a hassle-free journey. For the convenience of passengers, Eastern Railway has already planned to run 18 Holi Special Trains in different directions, cov-

ering a total of 86 trips, including both Up and Down directions. The details of these special train services are Sealdah & New Jalpaiguri: 4 trips, Malda Town & Charlapalli: 2 trips, Howrah & Anand Vihar Terminal: 18 trips, Malda Town & Udhna: 4 trips, Kolkata & Puri: 6 trips, Malda Town & Pune: 2 trips, Malda Town & Anand Vihar Terminal: 2 trips, Malda Town & Delhi: 4 trips, Howrah & Raxaul: 6 trips, Sealdah & Gorakhpur: 6 trips, Kolkata & Patna: 2 trips, Kolkata & Jaynagar: 2 trips, Howrah & Khatipur: 4 trips, Howrah & New Jalpaiguri: 4 trips, Kolkata & Lalkuan: 6 trips, Kolkata & Kanpur Central: 14 trips. Moreover, 2 Unreserved Holi Special Trains viz. Asansol - Patna - Asansol, Asansol - Gorakhpur - Asansol, covering a total of 4 trips operated. The services of these Holi Special Trains have commenced from March 6, 2025, and will continue until the end of March 2025. Additional Measures Taken: Deployment of substantial number of staff. To manage the huge crowds during this Holi period, Eastern Railway has deployed a substantial number of Railway Protection Force (RPF) personnel at key stations across the Divisions of Eastern Railway to ensure effective crowd management. RPF and commercial teams along with senior officials of Divisions are actively monitoring passenger movement, maintaining orderly queues during boarding and de-boarding, and ensuring overall safety and security at railway premises. War Room Setup: For effective crowd management, Eastern Railway set up War Rooms at Divisional level & Headquarters level for monitoring the situation on 24x7 basis. Holding Areas: Designated areas with tents have been set up for waiting passengers, along with help booths to assist travellers. Drinking Water Facilities: Adequate drinking water arrange-

ICC hosts 7th Social Impact Summit & Awards

MI News Service, Kolkata: The Indian Chamber of Commerce (ICC) successfully hosted its 7th Social Impact Summit & Awards celebrating transformative Corporate Social Responsibility (CSR) initiatives. Themed "Innovate for Impact: Shaping a Sustainable Future," the event convened industry leaders, policymakers, and social entrepreneurs to explore groundbreaking solutions for societal progress. Addressing Women Empowerment: A Pillar of Progress, Agnimitra Paul, emphasized that, "We do not seek empowerment—we already possess it. The challenge is to eliminate barriers and create an environment where every woman realizes her potential," she remarked. She highlighted transformative government initiatives like Beti Bachao Beti Padhao, Ujjwala Yojana, and the 33% reservation for women in Parliament as crucial steps towards true empowerment. Anshu Gupta stressed, "Real change demands a shift from symptomatic solutions to tackling core issues—ensuring water security to improve education, preventing forced migration for sustainable progress," he asserted. Krishna Nirmalya Sen highlighted India's CSR growth, citing 29,986.92 crore in corporate contributions in FY 2022-23, significantly advancing education, healthcare, and environmental sustainability. The summit underscored the necessity of innovation, collaboration, and policy-driven action to drive lasting social impact.

NOTICE INVITING E-AUCTION No. COM/E-AUCTION/ATM/PI/1 Dated: 12.03.2025

E-Auction is invited by Senior Divisional Commercial Manager, Eastern Railway, Howrah Division, DRM Building, Howrah, 4th Floor, Yatri Niwas, Near Howrah Station, Howrah-711101 for awarding contract of Installation and operation of Automated Teller Machines(ATM) over Howrah Division for a period of 05 years. For more details and participation in E-Auction kindly visit the website www.ireps.gov.in through E-Auction Leasing Module. Catalogue No.: ATM-HWH-MAR-8; Auction Start Date & time: 26.03.2025 at 12:00 hrs.; SI. No.: Lot No./Category; Description & Name of the Station are as follows : (1); ATM-HWH-KOG-Gen-15-25-1 (ATM - General); Installation of ATM at Konnagar Railway station; Konnagar. (2); ATM-HWH-UPA-Gen-91-25-1 (ATM - General); Installation of ATM at Uttarpara Railway station; Uttarpara. (3); ATM-HWH-KWAE-Gen-101-25-1(ATM-General); Installation and operation of ATM-II at Katwa Railway station; Katwa. (4); ATM-HWH-JIT-Gen-102-25-1(ATM-General); Installation and operation of ATM at Jirat Railway station; Jirat. (5); ATM-HWH-AMB-Gen-97-25-1 (ATM - General); Installation and operation of ATM at Arambag Railway station; Arambag. (6); ATM-HWH-BHR-Gen-108-25-1 (ATM - General); Installation of ATM (Near station building) at Bhadreswar station; Bhadreswar. (7); ATM-HWH-HWH-Gen-73-25-1 (ATM - General); Installation of ATM near DRM building (Near Control office) Howrah station; Howrah. (8); ATM-HWH-PDA-Gen-99-25-1 (ATM - General); Installation and operation of ATM-II at Pandooah Railway station; Pandooah. (HWH-672/2024-25) Tender Notices are also available at Website www.ere.inianrailways.gov.in / www.ireps.gov.in Follow us at: @EasternRailway @easternrailwayheadquarter

EASTERN RAILWAY

No.OAH/21/1 Genl. Dated: 12.03.2025. Following e-tender is invited by Sr. Divisional Engineer (HQ), Eastern Railway, Howrah, DRM Building, Near Railway Station, Howrah-711101 from tenderers having experience of similar nature of work and required financial capabilities including those registered with Irrigation/CPWD/ SEB/MES or any public sector undertaking for the following work: Under Sr. DEN/HQ/HWH. SI. No.: (1); E-Tender No.: 375_2024-25; Description of work: Repair of surface damage of catwalk 6,8,9 & also pillar crack of catwalk no. 3,4,5,6&8 at SYAE under AEN/HQ/HWH. Approx. Cost: Rs. 70,10,812.67; Earnest Money: Rs. 1,40,200.00; Cost of Tender Form : 0.00; Completion period : 8 (Eight) months from the date of issue of acceptance letter. SI. No. (2); E-Tender No.: 376_2024-25; Description of work: Changing the supply water pipe line with Bamangachi yard for pit no. 1, 2 & 5 in the section of SSE/W/BMG under AEN/HQ/HWH. Approx. Cost: Rs. 1,68,12,702.24; Earnest Money: Rs. 2,34,100.00; Cost of Tender Form : 0.00; Completion period : 8 (Eight) months from the date of issue of acceptance letter. SI. No. (3); E-Tender No.: 377_2024-25; Description of work: Provision of bacteriological treatment of drinking water in conforming with the parameter of Bureau of Indian standard vide IS 10500-1991 for the period of 2 (TWO) consecutive years under SSE/W/BMG and Operation and maintenance of Pressure Filter Water Treatment Plant and Automatic Chlorination plant at HWH Goods area for a period of 24 (twenty four) months in the section of SSE/W/HWH under the jurisdiction of AEN(HQ)/HWH. Approx. Cost: Rs. 36,32,129.76; Earnest Money: Rs. 72,700.00; Cost of Tender Form : 0.00; Completion period : 24 (Twenty Four) months from the date of issue of acceptance letter. Closing date & time of tender : 08.04.2025 at 14.00 hrs. In case the date of closing mentioned in the Notice Inviting Tender is declared a holiday/bandh/ strike on any account, the date of closing tender online will not be changed as the application in the website of IREPS does not permit submission of any offer after closing date and time of the tender. However opening of tenders on line will be done next working day. The details of tender are available at website: www.ireps.gov.in.Tenderers are requested to submit their offer Online on the above website. Payment of EMD and TDC -Payment of earnest money deposit (EMD) & Tender document cost, in respect of E-tendering should be accepted through net banking or payment gateway only. NOTE: Fixed Deposit Receipt (for) will not be accepted as EMD for tenders invited on IREPS e-tender portal). No manual offer will be accepted. (HWH-679/2024-25) Tender Notices are also available at Website www.ere.inianrailways.gov.in / www.ireps.gov.in Follow us at: @EasternRailway @easternrailwayheadquarter

NSDC and AIU partner to revolutionize academic credential verification

MI News Service, Kolkata: The National Skill Development Corporation (NSDC) and the Association of Indian Universities (AIU) have joined forces to enhance academic credential verification and integrate skill-based courses into higher education across India. The collaboration will establish a technology-driven verification system for academic and skill qualifications, utilizing the National Academic Depository (NAD) and institution-level data. This initiative will streamline verification processes for universities and colleges through online interfaces or API integration. A Memorandum of Understanding (MoU) signed in New Delhi outlines the initiative's goal to improve the credibility of Indian qualifications globally. The "NSDC Trust Platform" will act as the backbone for credential validation, with AIU promoting its adoption among Indian and foreign institutions to ensure direct verification from issuing authorities.

WALK-IN INTERVIEW For Engagement of Contract Medical Practitioners at B.R.Singh Hospital, Sealdah

Medical Director, B. R. Singh Hospital, Eastern Railway, Sealdah desires to engage 03 Contract Medical Practitioners (Specialist) on full time contract basis against existing vacancies of IRHS Doctors for one year from the date of joining on the following terms and conditions :- [Community break up - Total Post: 03 (Unreserved - 01, Scheduled Castes - 01, Other Backward Classes - 01)]. Willing Doctors who satisfy the requisite qualification & age for the above engagement are requested to report with all certificates for 'Walk-in-Interview' to the Office of the Medical Director, B. R. Singh Hospital, Eastern Railway, Sealdah, Kolkata-700 014 on 26.03.2025 (Thursday) at 12 Noon. While attending the Interview, the candidates are requested to bring all relevant Certificates/ Documents in original with attested copies of the same in support of Age, Qualification, Medical Registration, Caste, Character certificate with antecedents (Certified by Gazetted Officer of Central / State Govt. or Faculty of the Medical College / Institution where the candidate studied) and experience etc. and two passport size photographs. The candidates should be prepared to stay back for one day, if required, at their own expense. Application proforma will be supplied by this office on the date of interview. TERMS AND CONDITIONS : 1. Name of the Post : Contract Medical Practitioner (CMP) on full time engagement. 2. Nature of Engagement : The engagement is purely on contractual basis for one year from the date of joining. Further, the services of these doctors are also terminable with a notice of 15 days from either side. 3. Vacancy (Department wise), Qualification, Remuneration:

Table with 4 columns: Sl. No., Department, Qualification, Monthly remuneration. 1. Cardiology, MD/DNB (Medicine) with minimum 20 years experience as full time Cardiologist at Govt/ Corporate hospital with minimum 10 years experience in Interventional Cardiology, ₹ 1,23,500/- 2. Medicine, MD/DNB (Medicine), ₹ 1,23,500/- 3. Gyn. & Obs., MD/MS/DNB (G & O), ₹ 1,23,500/-

● Specialist / Super specialist : Specialist for all Departments. ● No. of CMP required : 01 for each Department. ● For SI No. 2 & 3 : Preferably 03 years work experience in requisite field. 4. Facilities : One set of 1st class complimentary pass for self & family during each contract year which shall be issued after three months of regular contract service (except retired railway doctors). Contract Medical Practitioners can avail free medical treatment at Railway Hospital, for self only. 5. Age : (a) Not exceeding 53 years as on 26.03.2025 (Age relaxation for reserve candidates as per stipulated rule). (b) Retired IRHS Doctors/ Retired Govt. Doctors of Central /State Govt. may be engaged for maximum seven terms of one year each or attaining the age of 67 years whichever is earlier. Retired Central/State Govt. doctors are entitled to the same amount of remuneration subject to the condition that Remuneration plus pension should not exceed the last pay drawn. 6. Date & Time of walk-in-Interview: 26.03.2025 (Thursday) at 12 Noon onward. Medical Director/B.R.Singh Hospital

SCIENTISTS FOUND FOUR TINY PLANETS ORBITING ONE OF OUR NEAREST STARS

Astronomers have revealed new evidence that there are not just one but four tiny planets circling around Barnard's Star, the second-nearest star system to Earth.

The four planets, each only about 20 to 30% the mass of Earth, are so close to their home star that they zip around the entire star in a matter of days. That probably means they are too hot to be habitable, but the find is a new benchmark for discovering smaller planets around nearby stars.

"It's a really exciting find -- Barnard's Star is our cosmic neighbor, and yet we know so little about it," said Ritvik Basant, Ph.D student at the University of Chicago and first author on the study. "It's signaling a breakthrough with the precision of these new instruments from previous generations."

The finding adds weight to a November study by a team using a different telescope, which had found strong evidence for one planet around Barnard's Star and hints at others.

The new study, which included scientists with the Gemini Observatory/National Science Foundation NOIRLab, Heidelberg University, and the University of Amsterdam, is published March 11 in The Astrophysical Journal Letters.

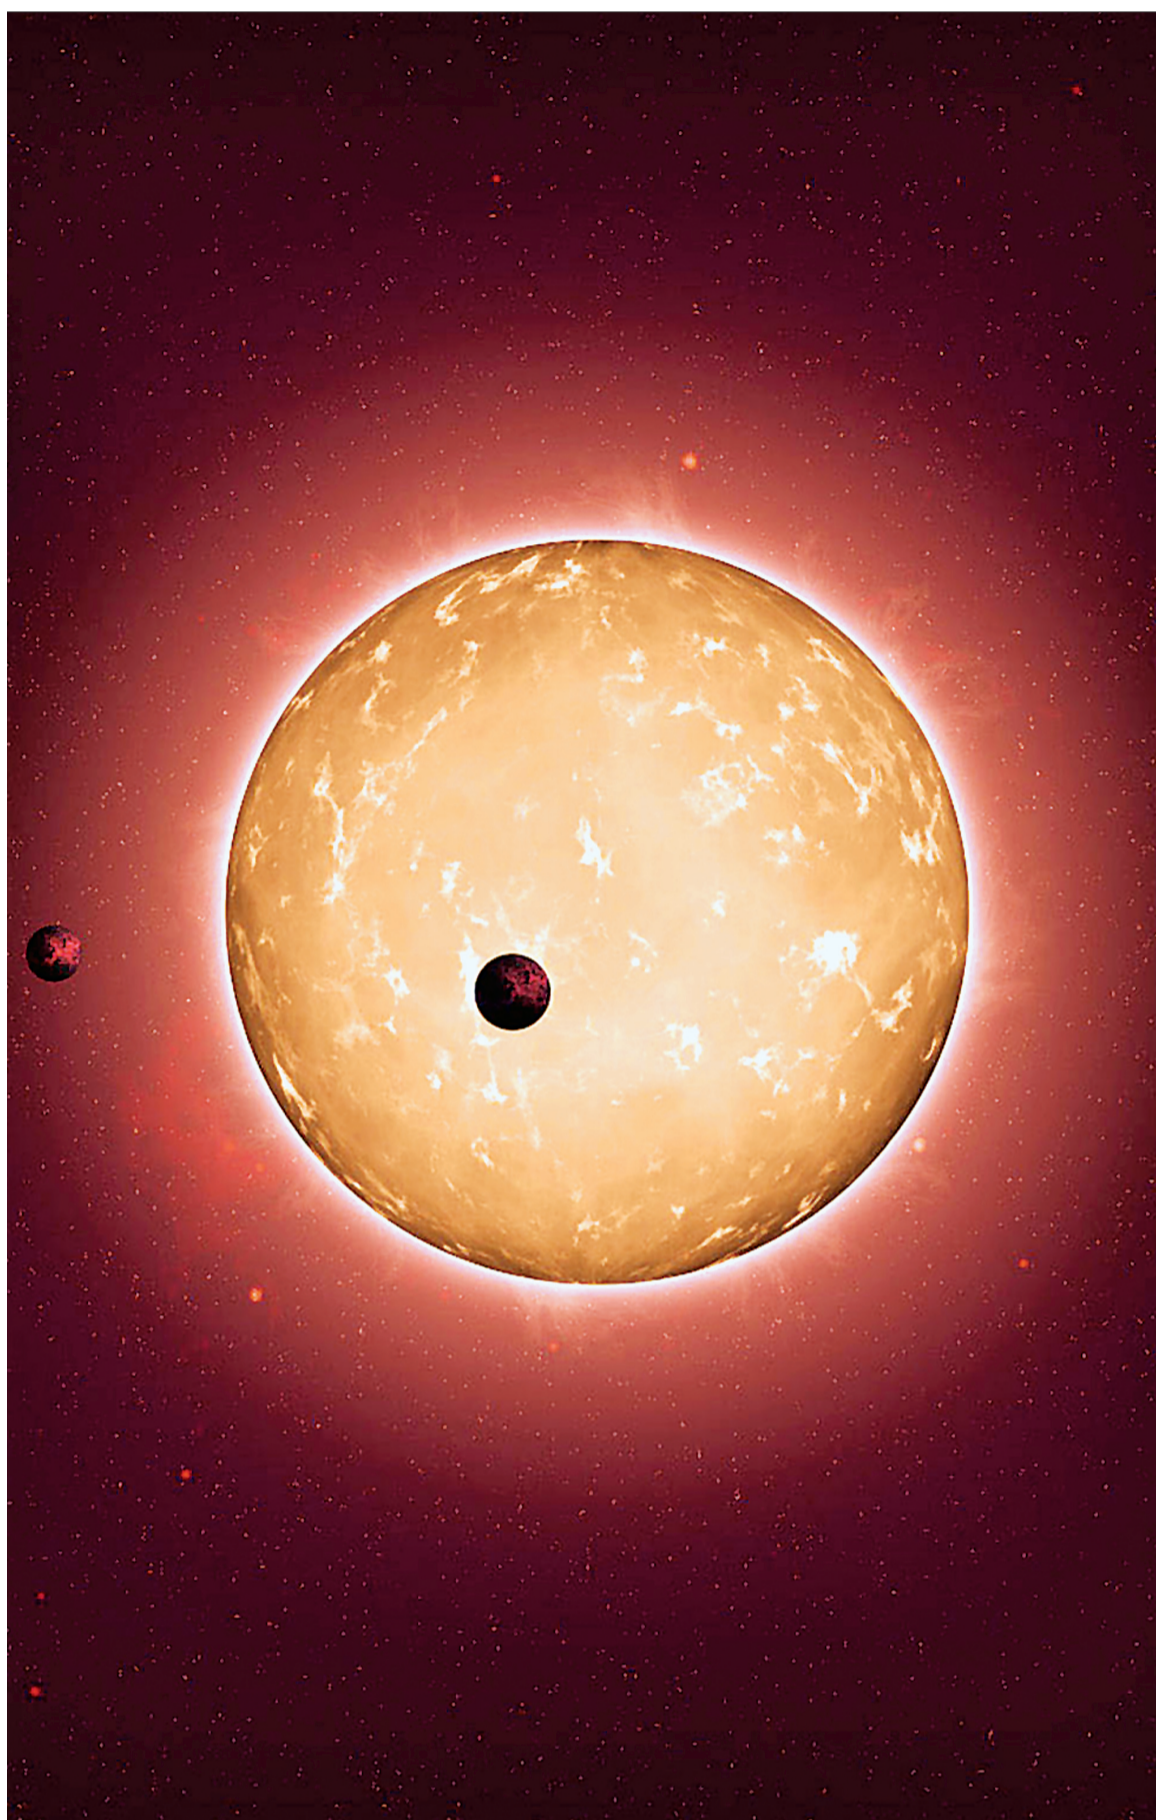

For a century, astronomers have been studying Barnard's Star in hopes of finding planets around it. First discovered by E. E. Barnard at Yerkes Observatory in 1916, it is the nearest system that has the same configuration we do -- i.e., with only one star. (The absolute nearest star system to us, Proxima Centauri, has three stars circling each other, which changes the dynamics of planet formation and orbits).

Barnard's Star is a type called an M dwarf star, which we now know are extremely numerous in the universe. Scientists, therefore, would like to know more about what kinds of planets they host.

The trouble is that these faraway planets are far too tiny to be seen next to the brilliance of their stars, even with our most powerful telescopes. That means scientists have had to get creative to search for them.

One such effort was led by UChicago Prof. Jacob Bean, whose team created and installed an instrument called MAROON-X, which is attached to the Gemini Telescope on a Hawaiian mountaintop and designed specifically to search for distant planets.

The four planets, each only about 20 to 30% the mass of Earth, are so close to their home star that they zip around the entire star in a matter of days. That probably means they are too hot to be habitable.

Study group formed to know if water pollution occurs due to immersion of PoP idols

MUMBAI: Maharashtra minister Pankaja Munde on Wednesday said a study group has been formed by the state government's science and technology commission to ascertain whether pollution occurs due to immersion of Plaster of Paris (PoP) idols in water bodies.

The Environment and Climate Change Minister told the state legislative assembly that the study group has been formed by the Rajiv Gandhi Science and Technology Commission headed by nuclear physicist Dr Anil Kakodkar.

Responding to a calling attention motion, Munde said the state government was taking steps to follow the pollution norms, but at the same time not let the businesses and festivities be affected due to the ban on the use of PoP for making idols.

Tall idols of Lord Ganesha are made from PoP, which are installed during the 10-day Ganesha festival celebrated on a large scale across Maharashtra.

Munde said on January 21, she held a meeting with several MLAs and Women and Child Development Minister Aditi Tatkare over the Bombay High Court's directive to strictly comply with the Central Pollution Control Board (CPCB) guidelines that ban the use of idols made of PoP and their immersion in water bodies.

RESPONDING TO A CALLING ATTENTION MOTION, MUNDE SAID THE STATE GOVERNMENT WAS TAKING STEPS TO FOLLOW THE POLLUTION NORMS, BUT AT THE SAME TIME NOT LET THE BUSINESSES AND FESTIVITIES BE AFFECTED DUE TO THE BAN ON THE USE OF POP FOR MAKING IDOLS.

According to her, the MLAs stated that some NGOs and scientists are of the opinion that PoP does not lead to pollution of water bodies.

"I also asked (them to give) for scientific reasons behind it (that PoP does not lead to pollution) and we will send them to the CPCB and take a decision accordingly," Munde said.

The issue is not only emotive but also the one related to employment, Munde said.

She said Cultural Affairs Minister Ashish Shelar visited the Rajiv Gandhi Science and Technology Commission's office in Mumbai and requested its officials to explain what kind of pollution occurs due to the PoP idols. The commission accepted it.

"A study group has been formed and a report will be presented before the court. Evidence (that PoP idols do not lead to pollution) needs to be given to the CPCB. We are gathering evidence and telling the CPCB about it," Munde said.

When asked by NCP MLA Anil Patil whether the state government will file a review petition in the Bombay High Court, Munde said the department was positive about it.

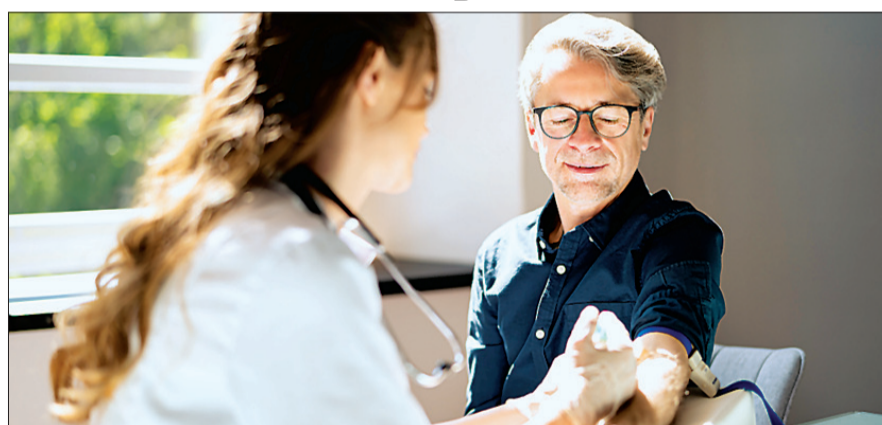

Blood test shows promise for early detection of dementia

QUEBEC: A simple blood test for people with a certain sleep disorder may help predict the development of dementia years before symptoms occur, according to a new study.

Idiopathic REM sleep behaviour disorder (iRBD) causes people to physically act out their dreams while sleeping. The disorder is also associated with a very high risk of Parkinson's disease and a related condition called Dementia with Lewy Bodies. This is a form of dementia that often causes memory and cognitive loss, as well as vivid visual hallucinations and movement difficulties similar to Parkinson's.

McGill University researchers have discovered that a blood test, originally developed to detect Alzheimer's disease, could also identify which patients with the iRBD sleep disorder are most likely to develop Dementia with Lewy Bodies. The blood test analyzes two proteins in the blood that serve as biomarkers for Alzheimer's.

"Detecting dementia risk early could have significant implications for how doctors guide patients, helping them plan for the future and potentially allowing for more personalized, effective treatments," said Dr Ronald Postuma, a Professor in McGill's Department of

Neurology and a clinical researcher at The Neuro (Montreal Neurological Institute-Hospital). Researchers followed 150

iRBD patients, testing their blood for the biomarkers and tracking their health annually. Remarkably, the blood test, taken four years before,

predicted dementia in almost 90 per cent of the patients who later developed the disease. This study also suggests the early stages of

Parkinson's and Alzheimer's have more in common than previously thought.

"Our findings suggest that Alzheimer's treatments could also be tested in patients with this sleep disorder. Perhaps, if treatments start early enough, Dementia with Lewy Bodies can be prevented," said first author Dr Aline Delva, who was a research fellow at The Neuro during the study.

The research team plans to expand the study to confirm how well the test can predict dementia risk in patients with diagnosed Parkinson's disease as well as other populations at risk for Dementia with Lewy Bodies.

Good parenting helps, but has limits under major deprivation

MISSOURI: Good parenting can make a huge difference as newborns learn to communicate and process information. An increasing amount of early childhood development research has indicated that parent training is a worthwhile investment in improving childhood outcomes.

However, there may be a limit to how much skillful parenting may boost a newborn's language and cognitive skills, particularly if the family is experiencing substantial deprivation.

Researchers at Washington University in St. Louis wanted to see how "prenatal social disadvantage," a newborn's brain volumes and parenting factor into cognitive and language abilities. Prenatal social disadvantage refers to not having the resources to meet a family's basic needs. To do this, they recruited from obstetric clinics in St. Louis to find pregnant

SUPPORTIVE PARENTING MAY NOT BE ABLE OVERCOME THE "HIT" THAT DEPRIVATION CAUSES TO A NEWBORN'S BRAIN DEVELOPMENT. THE RESEARCH CAN BE HELPFUL IN DEVELOPING SOCIAL PROGRAMS THAT INVEST IN PRENATAL CARE AND PARENT TRAINING.

people from a broad variety of backgrounds.

They followed up with approximately 200 new mothers and their newborns at ages 1 and 2 to conduct parenting observations along with language and cognition assessments. What they found was

that prenatal social disadvantage is associated with lower cognition and language scores and that supportive parenting behaviors could improve those indicators -- but only up to a point.

The research, published in the Journal of Pediatrics, can help inform how to improve the effectiveness of prenatal and early childhood interventions.

Researcher Deanna Barch describes "social disadvantage" as a spectrum of how much a family's financial needs are being met. Barch is vice dean of research and a professor of psychological and brain sciences in Arts & Sciences and the Gregory B. Couch Professor of Psychiatry at the School of Medicine.

If someone has basic needs covered such as stable access to housing, food and insurance, "then parenting can make a difference," Barch said. "But if basic needs are not met, that's

probably what is constraining cognition, and parenting doesn't have the opportunity to have the positive influence."

Supportive parenting may not be able to overcome the "hit" that deprivation causes to a newborn's brain development. The research can be helpful in developing social programs that invest in prenatal care and parent training.

First author Shelby Leverett, a PhD student in neuroscience at WashU Medicine, explained they were initially surprised by the results because much of the scientific literature shows that parenting skills can be an effective intervention target, but the majority of those findings may be based on a narrower, more advantaged, sampling of the "social disadvantage" spectrum.

"It's really important that we aim to support families so we can eliminate disadvantage and kids have a chance to develop optimally," Leverett said.

Hindutva Organisations create uproar after Muslim man offers prayer inside hospital

MI News Service, Firozabad: A video of a Muslim man offering prayer inside a government hospital in Firozabad in Uttar Pradesh had gone viral on social media. Although Namaz takes not more than 20 minutes, Hindutva extremists have widely criticised the man.

Reacting to the incident, BJP MLA Ketki Singh in her controversial statement said that a separate ward must be allocated for Muslims.

She said, "Muslims have a problem with Hindu festivals like Holi, Ram navami and Durga Puja. probably they also have a problem getting their treatment done along with Hindus. I will request Maharaj ji, Chief Minister Yogi Adityanath to allocate a separate ward for Muslims so that they are treated separately."

"Who knows what will happen if they spit on us? We must ensure our safety," she remarked.

Her shocking statements on Muslims has brought criticism from the public who accused her of trying to

spread propaganda and hatred against Muslims.

However, many Hindutva organisations came in her support and said that Muslims offering prayers inside a hospital is an attempt to prove their religious dominance. Expressing the organisation's outrage, Hindu Vahini leader Hridesh Sharma said, "The administration has passed a rule that no new practice should be started. Offering prayers within the premises is unacceptable."

Surprisingly, the hospital management also came in favour of these Hindu organisations. Chief Medical Superintendent (CMS) Dr. Naveen Jain in a statement confirmed that an investigation is underway regarding who the individual is and the staff present during the time. He said, "Namaz should be offered in a mosque.

Right wing groups have also demanded stricter action against those who al-

lowed the Muslim man to pray.

Many users took to their X handles to express their shock over the incident being called an 'attempt to prove dominance.' Several users pointed out the lack of infrastructure facilities in many hospitals. They alleged that instead of focusing on the development, the BJP is trying to polarize a routine situation by stirring up unnecessary controversy and debate.

They alleged that instead of focusing on the development, the BJP is trying to polarize a routine situation by stirring up unnecessary controversy and debate.

Two Muslim brothers assaulted in UP's Varanasi during Holi donation drive

MI News Service, Firozabad: In Uttar Pradesh's Varanasi district, two Muslim brothers, Niyaaz Ahmed and Khurshid Ahmed, were brutally assaulted by a group of about a dozen individuals who had come to their village to collect donations for the Holi festival.

Two Muslim brothers were assaulted with sharp weapons and sticks and forced to chant the Hindu slogan of Jai Shri Ram.

The attack, which took place in Dindayalpur village, was accompanied by religious slurs and forced chanting of the Hindu slogan "Jai Shri Ram." The brothers were beaten with sharp weapons and sticks, leaving them with severe injuries.

Niyaaz Ahmed, the elder of the two, was away at a nearby mosque offering Taraweeh prayers when the group arrived at his house to ask for donations. Upon returning, Niyaaz was attacked from behind after a brief argument. The group allegedly hurled abuses and religious slurs at him.

He was struck on his head, shoulder, and back, causing him to fall unconscious. In a viral video shared on social media, Niyaaz is seen

with a bandage on his head, and his shirt is stained with blood.

In the same video, Niyaaz mentions that he knows the attackers but has no personal conflict with them. He also emphasized that he keeps to himself and doesn't interact with others in the area unless necessary.

As the attack continued, his younger brother, Khurshid Ahmed, intervened in an attempt to stop the assault. However, Khurshid was also beaten severely, suffering injuries to his head

and shoulder. He recounts that he and Niyaaz were both forced to chant "Jai Shri Ram" and were beaten with sticks when they refused. The attackers, initially around a dozen, were later joined by others in the assault.

The incident has sparked outrage on social media, with users tagging the Varanasi police and district magistrate, demanding swift action. In response, the Deputy Commissioner of Police for the Varuna Zone confirmed that an FIR had been filed at

Sarnath Police Station, and legal proceedings were underway.

The case has raised concerns about the safety and security of minorities in the region, with some social media users criticizing the state government. One user pointed out the contradictory statements from the Yogi Adityanath government, referring to an incident where a local official had advised Muslims to stay indoors during Holi, yet the brothers were not even safe within their own home.

USTM Chancellor Mahbubul Hoque arrested again, taken to Tezpur

MI News Service, Guwahati: Mahbubul Hoque, Chancellor of the University of Science and Technology Meghalaya (USTM), was re-arrested by the Dhekiajuli police on Wednesday, just one day after being granted bail in a previous case.

The controversy surrounding Hoque escalated when Assam Chief Minister Himanta Biswa Sarma publicly disclosed a list of 209 students who were allegedly promised higher marks through fraudulent means. Following his first arrest, Hoque was granted bail by the Gauhati High Court on March 3.

However, his re-arrest on Wednesday highlights ongoing legal challenges, and authorities have yet to reveal the specific charges leading to this subsequent detention.

Reports suggest that Hoque has been taken to Tezpur for further interrogation.

Mahbubul Hoque, founder chancellor USTM.

versial 'flood jihad' allegations.

The unfolding legal proceedings have raised concerns about the integrity of the examination system and broader educational practices in the region. As the investigation progresses, there is an expectation that authorities will provide more details to clarify the extent of the allegations and their potential impact on the academic community, particularly at USTM. The case continues to attract attention, as it could have far-reaching consequences for educational standards and governance in the region.

Achievers Site: A booster for generation next

MI News Service, Kolkata: At this moment Achievers Site is the prime centre for NEET - JEE coaching. Irfad Ahmed Khan, the founder has taken care of the standard of this institution in holistic terms which is very modern and updated in terms of technology and curriculum. A teacher by himself, Khan is dedicated to the overall upliftment of the Muslim society. Achiever Site has opened up a new horizon to the aspiring muslim students to make career, they way they need with all sorts

of facility. This effort helps students to do well at JEE exams and wipes out examphobia from students.

Khan created this venture on 2020 at Birshibpur (Howrah), very near to Uluberia. It takes the way of Kharag-

pur railway line. Dedicated teachers of 15 are religiously teaching physics, chemistry, and mathematics for the aspiring students in the best possible manner. That is why 55 students have got chance to become doctors passing out from this institution only. They are pursuing medical at top medical colleges of West Bengal, both top government and private medical colleges. Achiever Site envisages providing free education to atleast 3 poor and needy students. At Nayabaz (Sa-

tragachi), Khan has already opened up a new and second campus of this iconic institution. The serene, yet education friendly atmosphere of this great institution provides a very congenial atmosphere to the students to excel in every sphere of life along with studies. It has been the dream of Irfan Ahmed Khan to create a 'master class' institution for muslim students to nurture their dreams and he has converted the most cherished dream to a well knit reality for the generation next.

SP leader Abu Azmi calls for peaceful Holi, Ramadan Friday Prayers

MI News Service, Mumbai: Maharashtra Samajwadi Party (SP) MLA Abu Azmi on Thursday called for harmony and mutual respect as Holi and the Ramadan Friday prayers coincide on March 14, urging people to celebrate with peace.

The overlap of the Hindu festival and the special Friday prayers of Ramadan has led to political debates, with discussions on adjusting schedules to maintain order.

In several areas, local communities have voluntarily modified timings to avoid conflicts. Some mosques have extended prayer hours, while Holi processions in certain places have been shortened or rescheduled.

Speaking to IANS, Azmi emphasised the importance of India's "Ganga Jamuni" culture, where different communities co-exist harmoniously.

"Holi is here, and so is the Juma prayer of Ramadan. Everyone has the right to celebrate their own festivals. In this country, we live like brothers," he said.

Addressing potential conflicts, he urged people to act with restraint. He said that the Juma Namaz during Ramadan was very important for the Muslims.

"Juma Namaz during Ramadan is not offered in small mosques but in large ones. In such situations, no one should forcibly put colours on others to provoke or create disputes. I also urge my Muslim brothers that even if someone throws colour on you, let it go and move on," he said.

Meanwhile, Azmi re-

main embroiled in legal trouble over his remarks defending Mughal ruler Aurangzeb, for which multiple FIRs have been registered against him.

He filed an anticipatory bail plea in Mumbai Sessions Court, which granted him conditional relief. As per the court's order, he must appear before the investigating officer and refrain from tampering with evidence.

On Thursday, he arrived at the Marine Drive police station to comply with the investigation.

Speaking on the case, he stated, "I only have to mark my attendance for three days. As for the evidence, how can I tamper with something already recorded on video? My statement is the evidence, and it's all documented on video, so how can anyone manipulate it?"

Jharkhand clinches maiden 15th Hockey India Senior National Women Hockey Championship

PC JHA

RANCHI: Jharkhand's girls creating history in the 15th Hockey India Senior Women National Championship 2025 organized in Panchkula Haryana from March 1 to 12, Jharkhand Hockey Team emerged champions for the first time by defeating Hockey Haryana by 4-3 goals in penalty shootout at Haryana soil in the final match.

Delighted Chief Minister Hemant Soren congratulated Jharkhand's women hockey team and said, "Well done daughters...Jharkhand became national champion... Many congratulations and johan to the daughters of Jharkhand for defeating Haryana in the final of the 15th Hockey India Senior National Women's Hockey Championship 2025. Hearty congratulations to all the other teams who displayed their excellent game in the championship."

President Bholanath Singh announced to give Rs. 02.00 lakh to the winning team from Hockey Jharkhand. Earlier, Jharkhand

team became runner-up for the first time by reaching the final 10 years ago in 2015. Jharkhand lock horn with its arch rival host

Haryana team 1-1 in the field match. Pramodani Lakra scored for Jharkhand team in the field match, while Rani scored for

Haryana and the match went into penalty shoot-out. Rajni Kerketta, Nirali Kujur, Binima Dhan and captain Albelia Rani Toppo scored for Jharkhand team in penalty shoot-out, while Sammi failed to score a big goal. On Jharkhand team winning for the first time in Senior National, Hockey Jharkhand President Mr. Bholanath Singh announced to give Rs. 2 lakh cash to the entire team.

Jharkhand Government's Sports Minister Sudipya Kumar Sonu, Hockey Jharkhand President Bholanath Singh, Vijay Shankar Singh, Manoj Konbegi, Asarita Lakra, Rajneesh Kumar, Asunta Lakra, Jayant Kerketta, Shashikant Prasad, Surjeet Jha, Ashok Bhagat, Dasrath Mahato along with all the officials of Hockey Jharkhand and Sports Department have congratulated the entire team for being the winner of the Jharkhand team.

India dominates medal tally at World Para Athletics Grand Prix 2025 in New Delhi

NEW DELHI [INDIA]: India continues to assert its dominance at the World Para Athletics Grand Prix 2025 being held in New Delhi, leading the medal tally at the end of Day 2 with an astounding haul of 95 medals - 33 gold, 29 silver, and 33 bronze, as per PCI press release.

India is followed by the Neutral Para Athletes contingent, who stand at a distant second with a total of 26 medals (13 gold, 9 silver, and 4 bronze), while Uzbekistan rounds off the top three with a balanced tally of 4 golds, 4 silvers, and 4 bronze medals. As the final day of competition approaches, the Indian contingent remains poised for an even stronger finish. Among the athletes set to compete is Preeti Pal, who has already secured a silver medal at the Grand Prix and will now be competing in the 200m T38 event. Preeti, known for her consistent performances in sprint events, will be aiming to add another medal to her name.

Ravi Rangoli will be participating in the Shot Put F41 category, carrying forward the momentum after impressive performances at previous national championships, where he has consistently remained among the top throwers in his category.

Ankur Dhama, one of India's most experienced para-athletes and an Arjuna Awardee, will take part in the 5000m T12 race. He has represented India at multiple Paralympic Games and is a known force in long-distance events.

Kashish Lakra, the Asian Para

Games medallist, will compete in the Discus Throw F53 event. She has steadily emerged as a rising star in Indian para-athletics, making her mark in wheelchair throw disciplines.

Pranab Prashant Desai, who has previously won medals at the Asian Youth Para Games, will compete in the 200m T64 sprint. His explosive speed and technique make him a favorite in the track events.

Balaji Rajendran will compete in the Shot Put F11 category. Known for his powerful throws and determined spirit, he has been a regular podium finisher in national and international parathletics events.

Abhishek B Jadhav, a bronze medallist at the Nationals and known for his resilience and quick acceleration, will run in the 200m T35 event and is expected to deliver another strong performance for the Indian contingent.

Adding a global star attraction to the Grand Prix, legendary para athlete Vanessa Low will also compete in the Women's Long Jump events for T38, T44, T61, and T64 categories. A two-time Paralympic medallist and world record holder, Vanessa's presence is set to inspire a generation of athletes and elevate the competition to an elite international level.

With a strong lineup of Indian athletes and international icons like Vanessa Low gracing the field, the final day promises to be a celebration of sporting excellence, resilience, and record-breaking performances.

IPL 2025: MITCHELL MARSH CLEARED TO PLAY FOR LSG ONLY AS BATTER

NEW DELHI [INDIA]: Australia T20 skipper Mitchell Marsh has been cleared to play for Lucknow Super Giants only as a batter in the upcoming edition of the Indian Premier League (IPL) 2025, according to ESPNcricinfo.

Marsh is set to travel early next week despite missing out on the recently concluded Champions Trophy due to a back injury. The 33-year-old all-rounder was ruled out of Australia's ODI tour of Sri Lanka and the Champions Trophy due to "lower back pain and dysfunction."

According to ESPNcricinfo, Marsh went to see a back specialist in early February and underwent a period of rest to resolve the problem. In recent weeks, he returned to batting and has been cleared to play in the IPL for LSG only as a batter.

In the mega auction held last year in Jeddah, LSG acquired him for Rs 3.3 crore. Marsh is expected to join the LSG camp on March 18, where he will reunite with his former head coach, Justin Langer, who is set to enter his second season with the franchise.

Marsh has not played competitive cricket since January 7. His last appearance was in the Big Bash League (BBL) for the Perth Scorchers, and he was rested for the final two matches of the competition.

Before BBL, he made his last appearance in the white-ball format during Australia's tour of the UK in September.

Before getting picked by LSG, Marsh represented the Delhi Capitals in the last three IPL seasons. His time in the cash-rich league has been riddled with injuries. In the last edition of the cash-rich league, he sustained an injury in his hamstring after four games and returned home to rehab.

Meanwhile, Australia's famed pace trio Mitchell Starc, Josh Hazlewood and Pat Cummins, who missed the Champions Trophy, are expected to be fit for the tournament.

IPL 2025: KL Rahul reflects on DC's "solid" squad; reveals emotions he felt during mega auction

NEW DELHI [INDIA]: Delhi Capitals wicketkeeper batter KL Rahul revealed the emotions he felt when his name came up in last year's mega auction and his opinion on the franchise's team combination ahead of the Indian Premier League (IPL) 2025.

After spending three seasons as Lucknow Super Giants (LSG) skipper, Rahul parted ways with the franchise and enrolled his name for the mega auction.

Following a fierce bidding war between Kolkata Knight Riders (KKR) and Royal Challengers Bengaluru (RCB), Delhi Capitals

(DC) entered the action and got an opener, captain and wicketkeeper-batter option in Rahul for a hefty sum of Rs 14 crore.

"The auction was a nerve-racking experience. As a player, not knowing which team you will end up with is never easy. Over the years, I've seen how unpredictable auctions can be—there's no fixed pattern to how things unfold. Having been a captain for the last three seasons, I have been actively involved in the process of building a team," Rahul told JioStar.

Rahul, who was overwhelmed

with feelings of anxiousness, nervousness, and excitement, was happy to join the Capitals and is now looking ahead to the new season.

"I understand the kind of pressure franchises face when assembling a squad. But from a player's perspective, it's even tougher because your career is at stake. The auction can shape a player's future or present unexpected challenges. I was definitely nervous, even a little anxious. But at the same time, I knew this was the right step for my career. There was excitement too, though it didn't last very long because reality sets in quickly," he said.

"I'm really happy to be joining the Delhi Capitals. Parth Jindal, the team's owner, is a close friend, and we have spent a lot of time outside of cricket discussing various things. I know how passionate he is about the sport, and I'm thrilled to be a part of this team. We have a strong squad, and I'm looking forward to the season ahead," he added.

While analysing the depth of the squad, Rahul admits it is a "solid" team and is "excited" to play alongside skilled stars,

including Mitchell Starc, Axar Patel and Kuldeep Yadav.

"This will be a new experience for me, joining a new franchise, possibly my fourth or fifth team in the IPL. I feel both excited and a little nervous. Every time you step into a new team environment, a lot of thoughts cross your mind, how the players will be, how the owners run the team, how the fans will respond, all of that. So, it's a mix of emotions. Looking at the squad and how the management has built the team, it looks like a well-balanced side with most areas covered," he said.

"There's a great combination of experienced players and young talent, and I'm excited to play alongside some incredibly skilled youngsters and learn from them as well. With players like Mitchell Starc, Axar Patel, Kuldeep Yadav, many of whom I have played with before, we have a solid squad. I can't wait for the IPL to begin," he added.

Rahul, who recently lifted the Champions Trophy with India, will face his former side as Capitals open its campaign against Lucknow Super Giants on March 24.

GLOBAL INDIAN PRAVASI KABADDI LEAGUE TO KICK OFF ON APRIL 18 IN GURUGRAM

GURUGRAM (HARYANA): The Global Indian Pravasi Kabaddi League is set to make its grand debut on April 18 in Gurugram. The league will witness participation from countries such as Egypt, Kenya, Argentina, Germany, England, Norway, and Poland, amongst others. As per the GI-PKL press release, this will showcase the growing global reach of Kabaddi in the quest to promote the sport globally.

Holistic International Pravasi Sports Association (HIPSA), the league's Administrator, has revealed the kick-off date (April 18) as players gear up for the much-awaited tournament.

The inaugural season, which will be broadcast live on Sony Sports Network will feature 12 teams—six women's teams and six corresponding men's teams—each embodying the cultural and linguistic richness of India. The teams have been strategically named to reflect their regional identities.

Women's Teams: Marathi Falcons, Bhojpuri Leopardess, Telugu Cheetahs, Tamil Lioness,

Punjabi Tigress, and Haryanvi Eagles.

Men's Teams: Marathi Vultures, Bhojpuri Leopards, Telugu Panthers, Tamil Lions, Punjabi Tigers, and Haryanvi Sharks. Speaking about GI-PKL, Ms. Kanthi D. Suresh, President of HIPSA, said, Season 1 of GI-PKL is the culmination of all the efforts that have been put in over more than an year where the focus has

been to spread the sport of Kabaddi globally, and inspire the World to recognise the Sport as a potential Olympic Sport. We are committed to making GI-PKL a premier global Kabaddi tournament and ensuring increased participation from players across continents in each season for the next 10 years.

GI-PKL has also unveiled the captains of the franchise. While

Shiv Prasad has been handed the captain duties for Bhojpuri Leopards, Vikash Dahiya will lead the Haryanvi Sharks, Marathi Vultures and Punjabi Tigers have named Kapil Narwal and Sawin Narwal as captains, respectively. Sunil Narwal will lead Tamil Lions, and Sandeep Kandola will captain Telugu Panthers.

Pushpa Rana will lead the Haryanvi Eagles, and Meena Kadyan will captain the Bhojpuri Leopardess. Marathi Falcons and Punjabi Tigress have named Tanu Sharma and Meera as captains, respectively. While Julie Bhati will lead the Telugu Cheetahs, Suman will oversee the captain's duties for the Tamil Lioness.

Players have already begun rigorous training for the League and are leaving no stone unturned in their training. Sawin Narwal, Sandeep Kandola, Ajay Kumar, and Kapil Narwal are among the players who have started practicing. National gold medalists like M Anitha, Indra Rohini, Arul Santhiya, and Selvarebiksha have also commenced training sessions in their respective states.

With final on line, Usman Khawaja decided to opt out of Queensland's clash against South Australia

QUEENSLAND [AUSTRALIA]: Australia's seasoned Test opener Usman Khawaja has opted not to play for Queensland in their upcoming crucial Sheffield Shield match against South Australia at Karen Rolton Oval, according to ESPNcricinfo.

A win for Queensland against South Australia could hand them a spot in the final. After informing the selectors of his unavailability, Khawaja wasn't named in the Queensland squad. Captain Marnus Labuschagne has returned to the side after being away with Australia's squad for the recently concluded Champions Trophy.

Khawaja isn't the only Cricket Australia contracted player who is unavailable for the remainder of the season. Right-arm quick Xavier Bartlett has headed to the Punjab Kings to participate in the cash-rich league.

IPL-bound Travis Head, Jake Fraser-McGurk and Spencer Johnson are unavailable for South Australia for the remainder of the season as well.

Khawaja's absence could impact Queensland's chances of victory, considering he orchestrated match-winning scores of 127 and 33* against Tasmania. According to ESPNcricinfo, instead of taking part in the high-

stakes clash, Khawaja has decided to fly from Brisbane to Melbourne to spend the weekend watching the Australian Formula 1 Grand Prix.

Over recent years, the 38-year-old has taken extra caution while managing his schedule. He has preferred to keep himself mentally and physically fresh instead of engaging in back-to-back games.

Khawaja is likely to rest in April and May before preparing for four Tests in June and July, including the World Test Championship final against South Africa. Elsewhere, Australia's experienced Test pacer Scott Boland has been ruled out of

Victoria's do-or-die clash against WA at the WACA ground. Queensland squad vs South Australia: Marnus Labuschagne (c), Jack Clayton, Lachlan Hearn, Angus Lovell, Ben McDermott, Michael Naser, Jimmy Peirson, Matthew Renshaw, Jackson Sinfield, Mark Steketee, Tom Straker, Mitchell Swepson, Callum Vidler, Jack Wildermuth. Victoria squad vs Western Australia: Will Sutherland (c), Scott Boland, Harry Dixon, Peter Handscomb, Sam Harper, Marcus Harris, Campbell Kellaway, Blake MacDonald, David Moody, Todd Murphy, Fergus O'Neill, Oliver Peake, Peter Siddle.

Sudirman Cup: India drawn in Group D with Indonesia, Denmark and England

XIAMEN [CHINA]: The Indian badminton team is grouped alongside Indonesia, Denmark and England for the Badminton World Federation (BWF) Sudirman Cup Finals 2025 which will be held in Xiamen, China from April 27 to May 4.

The draws were announced on Thursday, as per Olympics.com. Sudirman Cup is an international mixed team competition held every two years.

Each tie in the competition features five matches, one each of men's singles, women's singles, men's doubles, women's doubles and mixed doubles. A total of 16 teams will be taking part in the 19th edition of the tournament. Four seeded teams were placed in separate groups during the draw and defending champions and hosts China are top seeds in group A. Indonesia, South Korea and Japan are seeded second, third and fourth, respectively.

The competing teams include defending champions, tournament hosts and top-performing sides in Asian and European mixed team continental championships. India made it to the Sudirman Cup 2025 based on their rankings. Winners from mixed team continental championships of Africa, Oceania and Pan America also secured their spots in the tournament.

Furthermore, China qualified both as hosts and reigning champions, giving Asia an additional qualifying berth.

With 13 title wins, China is the most successful team in the Sudirman Cup history. South Korea have four titles while Indonesia have one title to their name.

India produced its best results in the Sudirman Cup in 2011 and 2017, reaching the quarterfinals. In the last edition, India was eliminated in the group stage, losing to Malaysia and Chinese Taipei.

BWF Sudirman Cup Finals 2025 draw: All groups
-Group A: China, Hong Kong China, Thailand, Algeria
-Group B: South Korea, Chinese Taipei, Canada, Czechia
-Group C: Japan, Malaysia, France, Australia
-Group D: India, Indonesia, Denmark, England.
